

**Special Arrangements for Application for Use of Facilities  
in Community Halls/Community Centres in Tai Po District  
between January and June 2016  
in Relation to the 2015 District Council Election**

This notice aims to set out the special arrangements for application for use of facilities in community halls/community centres in Tai Po District between January and June 2016 in relation to the 2015 District Council Election. Details are as follows:

- 1) Upon announcement of the results of the 2015 District Council Election, all applications for use of facilities in community halls/community centres in Tai Po District between January and March 2016 by offices of ex-District Members, including those that have been approved and those awaiting approval will be cancelled automatically.

The venues concerned will be dealt with in the following ways:

For venues released for use by lot-drawing

If the office of an ex-District Member has been given the right to use the facilities of a venue by lot-drawing, this Office will arrange a new lot-drawing session for those unsuccessful applicants.

For venues released for use not by lot-drawing

If the office of an ex-District Member has been given the priority to use the facilities of a venue in a particular session due to his capacity as a District Member at that time, this Office will arrange a new lot-drawing session for those applicants that have applied for the same session.

If the office of an ex-District Member is the only party to apply for the use of facilities of a venue in a particular session, the approved session will be re-opened for other applicants. The application period will start at 9 a.m. on 30 November 2015 (Monday) and the right to use the facilities will be determined on a “first-come-first serve” basis.

- 2) To give designate District Members sufficient time to apply for the use of facilities in community halls/community centres between April and June 2016, the application deadline for designate District Members will be postponed from 31 December 2015 (Thursday) to 5 p.m. on 15 January 2016 (Friday).
