<u>**Home Affairs Department**</u>

Open Data Plan for 2022 to 2024

A. Departmental datasets to be released in 2022

#	Type of Data/ Name of Dataset	Target Release Date (in mm/yyyy)	Frequency of Update	Remarks
1	Development/ Existing Village / Market Town Boundaries for Rural Representative Election (2023-2026)	6/2022	One-off	Map showing the boundary of existing villages and market towns in machine-readable format (JSON and GML) will be made available for access through PSI Portal. Such type of data was firstly launched in October 2020 (item 24 of Part D) and the new data will be released every four years.
2	Miscellaneous/ Data on distribution of registered electors by rural committees in 2022	10/2022	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees in 2022 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.

3	Miscellaneous/ Data on sex profile of registered electors by electoral types in 2022	10/2022	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2022 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.
4	City Management/ Centres administering declaration/oath and service time slots	12/2022	As and when necessary	The spatial data of centres administering declaration/oath and service time slots will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
5	City Management/ District Offices and Sub-offices	12/2022	As and when necessary	The spatial data of District Offices and Sub-offices including postal address, telephone number, fax number and email address (if any) will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON). Such type of data will be firstly launched in December 2022 and the new data will be released as and when necessary.
6	City Management/ Home Affairs Enquiry Centres	12/2022	As and when necessary	The spatial data of Home Affairs Enquiry Centres will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
7	City Management/ List of community halls/ community centres	12/2022	As and when necessary	The spatial data of community halls/ community centres will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).

8	City Management/ Temporary cold shelters	12/2022	As and when necessary	The spatial data of temporary cold shelters will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
9	City Management/ Temporary night heat shelters	12/2022	As and when necessary	The spatial data of temporary night heat shelters will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
10	City Management/ Barrier-free facilities in community halls/ community centres	12/2022	As and when necessary	The spatial data of barrier-free facilities in community halls / community centres will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON). Such type of data will be firstly launched in Dec 2022 and the new data will be released as and when necessary.
11	City Management/ Barrier-free facilities in office premises	12/2022	As and when necessary	The spatial data of barrier-free facilities in office premises will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON). Such type of data will be firstly launched in Dec 2022 and the new data will be released as and when necessary.
12	Commerce and Industry/ List of licensed bedspace apartments	12/2022	Monthly	The spatial data of licensed bedspace apartments will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
13	Commerce and Industry/ List of licensed club-houses	12/2022	Monthly	The spatial data of licensed club-houses will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).

14	Commerce and Industry/ List of licensed hotels and guesthouses	12/2022	Monthly	The spatial data of licensed hotels and guesthouses will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
15	Commerce and Industry/ List of licensed karaoke establishments (Note: Permits issued by Food and Environmental and Hygiene Department are not included)	12/2022	Monthly	The spatial data of licensed karaoke establishments will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
16	Development/ Existing Village / Market Town Boundaries for Rural Representative Election (2023-2026)	12/2022	One-off	The spatial data of existing villages and market towns will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON). Such type of data will be firstly launched in December 2022 and the new data will be released every four years.
17	Miscellaneous/ Community Support Teams for Ethnic Communities	12/2022	As and when necessary	The spatial data of Community Support Teams for Ethnic Communities will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
18	Miscellaneous/ Race Relations Unit, Home Affairs Department	12/2022	As and when necessary	The spatial data of Race Relations Unit, Home Affairs Department will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).
19	Miscellaneous/ Support Service Centres for Ethnic Minorities	12/2022	As and when necessary	The spatial data of Support Service Centres for Ethnic Minorities will be made available for access through PSI Portal. It will be provided in machine-readable format (e.g. GeoJSON).

B. Departmental datasets to be released in 2023 and 2024

#	Type of Data/ Name of Dataset	Target Release Date (in mm/yyyy)	Frequency of Update	Remarks
1	Miscellaneous/ List of Rural Representatives (2023-2027)	7/2023	As and when necessary	List of Rural Representatives (2023-2027) in machine-readable format (CSV) will be made available for access through PSI Portal. Such type of data was firstly launched in June 2020 (item 21 of Part D) and the new data will be released when necessary.
2	Miscellaneous/ List of Executive Committee members of 27 Rural Committees (2023-2027)	7/2023	As and when necessary	List of Executive Committee members of 27 Rural Committees (2023-2027) in machine-readable format (CSV) will be made available for access through PSI Portal. Such type of data was firstly launched in June 2020 (item 22 of Part D) and the new data will be released when necessary.
3	Miscellaneous/ Data on distribution of registered electors by rural committees in 2023	10/2023	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees in 2023 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.

4	Miscellaneous/ Data on sex profile of registered electors by electoral types in 2023	10/2023	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2023 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.
5	Miscellaneous/ List of Full Council of the 36th Term of Heung Yee Kuk	11/2023	As and when necessary	List of Full Council of the 36th Term of Heung Yee Kuk in machine-readable format (CSV) will be made available for access through PSI Portal. Such type of data was firstly launched in June 2020 (item 23 of Part D) and the new data will be released when necessary.
6	Miscellaneous/ Data on distribution of registered electors by rural committees in 2024	10/2024	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees in 2024 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.

#	Type of Data/ Name of Dataset		Frequency of Update	Remarks
7	Miscellaneous/ Data on sex profile of registered electors by electoral types in 2024	10/2024	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2024 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.

C. Datasets planned to be opened up by other organisations

(1) Name of organisation

#	Type of Data/ Name of Dataset	Target Release Date (in mm/yyyy)	Frequency of Update	Remarks
	N/A			

D. Progress: Datasets already uploaded to PSI Portal by Department and other organisations

#	Type of Data/ Name of Dataset	Release Date (in mm/yyyy)	Frequency of Update	Remarks
1	Development/ District boundary	03/2018	As and when necessary	Map showing the boundaries of 18 districts in machine-readable format (JSON and GML) was made available for access through PSI Portal.
2	Recreation and Culture/ Approved game list for amusement game centres for persons under the age of 16 years	01/2019	As and when necessary (Upon approval of new game list)	Data including code number, name of amusement game, name of manufacturer and remark in machine-readable format (CSV) will be made available for access through Public Sector Information (PSI) Portal (https://data.gov.hk).

3	Recreation and Culture/ Details of lottery licence granted	01/2019	As and when necessary (Upon approval of lottery licence)	Data including licence number, name of organisation, lottery period, number of tickets approved for sale, approved ticket price and whether approval is given for selling tickets on public streets in machine-readable format (CSV) will be made available for access through PSI Portal.
4	Recreation and Culture/ Income and expenditure statements of lottery events	01/2019	As and when necessary (Upon receipt of income and expenditure statement from licensee from licensee)	Data including licence number, name of organisation, income and expenditure statements and review reports and period for inspection in machine-readable format (CSV) will be made available for access through PSI Portal.
5	City Management/ List of community halls/ community centres	03/2019	As and when necessary	Name, address, telephone number of each community hall/ community centre. Data in machine-readable format (CSV) will be made available for access through PSI Portal.
6	Commerce and Industry/ List of licensed hotels and guesthouses	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) will be made available for access through PSI Portal.
7	Commerce and Industry/ List of licensed club-houses	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) will be made available for access through PSI Portal.

8	Commerce and Industry/ List of licensed karaoke establishments (Note: Permits issued by Food and Environmental and Hygiene Department are not included)	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) will be made available for access through PSI Portal.
9	Commerce and Industry/ List of licensed bedspace apartments	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) will be made available for access through PSI Portal.
10	Law and Security/ List of District Council Members	06/2019	As and when necessary	Data in machine-readable format (CSV) will be made available for access through PSI Portal.
11	Law and Security/ Attendance record of District Council Members	06/2019	Quarterly and as necessary	Data in machine-readable format (CSV) will be made available for access through PSI Portal.
12	Law and Security/ Meeting calendar of District Council	06/2019	Monthly and as necessary	Data in machine-readable format (CSV) will be made available for access through PSI Portal.
13	City Management/ Temporary night heat shelters	07/2019	As and when necessary	Data including name and address in machine-readable format (CSV) will be made available for access through PSI Portal.
14	City Management/ Temporary cold shelters	07/2019	As and when necessary	Data including name and address in machine-readable format (CSV) will be made available for access through PSI Portal.
15	City Management/ Home Affairs Enquiry Centres	07/2019	As and when necessary	Data including name, address, telephone number and opening hours in machine-readable format (CSV) will be made available for access through PSI Portal.

16	City Management/ Centres administering declarations and service time slots	07/2019	As and when necessary	Data including name, address and telephone number in machine-readable format (CSV) will be made available for access through PSI Portal.
17	Law and Security/ Data on distribution of registered electors by rural committees in 2019	12/2019	As and when necessary	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal.
18	Law and Security/ Data on sex profile of registered electors by electoral types in 2019	12/2019	As and when necessary	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal.
19	City Management/ Barrier-free facilities in community halls/ community centres	03/2020	As and when necessary	The list of barrier-free facilities available in community halls/ community centres. Data in machine-readable format (CSV) will be made available for access through PSI Portal.
20	City Management/ Barrier-free facilities in office premises	03/2020	As and when necessary	The list of barrier-free facilities available in Home Affairs Department's office premises. Data in machine-readable format (CSV) will be made available for access through PSI Portal.
21	Miscellaneous/ List of Rural Representatives (2019-2023)	06/2020	As and when necessary	List of Rural Representatives (2019-2023) in machine-readable format (CSV) will be made available for access through PSI Portal.

22	Miscellaneous/ List of Executive Committee members of 27 Rural Committees (2019-2023)	06/2020	As and when necessary	List of Executive Committee members of 27 Rural Committees (2019-2023) in machine-readable format (CSV) will be made available for access through PSI Portal.
23	Miscellaneous/ List of Full Council of the 35th Term of Heung Yee Kuk	06/2020	As and when necessary	List of Full Council of the 35th Term of Heung Yee Kuk in machine-readable format (CSV) will be made available for access through PSI Portal.
24	Development/ Existing Village / Market Town Boundaries for Rural Representative Election	10/2020	Every four years	Map showing the boundary of existing villages and market towns in machine-readable format (JSON and GML) will be made available for access through PSI Portal.
25	Miscellaneous/ Data on distribution of registered electors by rural committees in 2020	10/2020	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2020 by respective Rural Committees will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.
26	Miscellaneous/ Data on sex profile of registered electors by electoral types in 2020	10/2020	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2020 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.

| 27 | Miscellaneous/
