The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.
3	Miscellaneous/ Data of sex profile of registered electors by electoral types in 2024	10/2024	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2024 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.

#	Type of Data/ Name of Dataset	Target Release Date (in mm/yyyy)	Frequency of Update	Remarks
4	Miscellaneous/ Database of Private Buildings in Hong Kong	03/2025	As and when necessary	The spatial data of database of Private Buildings in Hong Kong will be made available for access through PSI Portal. It will be provided in machine-readable format.
5	Miscellaneous/ Data of distribution of registered electors by rural committees in 2025	10/2025	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees in 2025 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year will be released annually.
6	Miscellaneous/ Data of sex profile of registered electors by electoral types in 2025	10/2025	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2025 will be provided in machine-readable format (CSV). The data will be made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year will be released annually.

C. Datasets planned to be opened up by other organisations

(1) Name of organisation

#	Type of Data/ Name of Dataset	Target Release Date (in mm/yyyy)	Frequency of Update	Remarks
	N/A			

D. **Progress: Datasets already uploaded to PSI Portal by Department and other organisations**

#	Type of Data/ Name of Dataset	Release Date (in mm/yyyy)	Frequency of Update	Remarks
1	Development/ District boundary	03/2018	As and when necessary	Map showing the boundaries of 18 districts in machine-readable format (JSON and GML) is made available for access through PSI Portal. A related dataset has been released on the CSDI Portal in 12/2022.
2	Recreation and Culture/ Approved game list for amusement game centres for persons under the age of 16 years	01/2019	As and when necessary (Upon approval of new game list)	Data including code number, name of amusement game, name of manufacturer and remark in machine-readable format (CSV) is made available for access through PSI Portal.
3	Recreation and Culture/ Details of lottery licence granted	01/2019	As and when necessary (Upon approval of lottery licence)	Data including licence number, name of organisation, lottery period, number of tickets approved for sale, approved ticket price and whether approval is given for selling tickets on public streets in machine-readable format (CSV) is made available for access through PSI Portal.
4	Recreation and Culture/ Income and expenditure statements of lottery events	01/2019	As and when necessary (Upon receipt of income and expenditure statement from licensee from licensee)	Data including licence number, name of organisation, income and expenditure statements and review reports and period for inspection in machine-readable format (CSV) is made available for access through PSI Portal.

5	City Management/ List of community halls/ community centres	03/2019	As and when necessary	Name, address, telephone number of each community hall/ community centre. Data in machine-readable format (CSV) is made available for access through PSI Portal.
6	Commerce and Industry/ List of licensed hotels and guesthouses	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) is made available for access through PSI Portal.
7	Commerce and Industry/ List of licensed club-houses	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) is made available for access through PSI Portal.
8	Commerce and Industry/ List of licensed karaoke establishments (Note: Permits issued by Food and Environmental and Hygiene Department are not included)	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) is made available for access through PSI Portal.
9	Commerce and Industry/ List of licensed bedspace apartments	04/2019	Monthly	Data of licensed premises, including licence number, premises name, premises address, and the available contact phone, fax & email of the licensed premises in machine-readable format (CSV) is made available for access through PSI Portal.
10	Law and Security/ List of District Council Members	06/2019	As and when necessary	Data in machine-readable format (CSV) is made available for access through PSI Portal.

11	Law and Security/ Attendance record of District Council Members	06/2019	Quarterly and as necessary	Data in machine-readable format (CSV) is made available for access through PSI Portal.
12	Law and Security/ Meeting calendar of District Council	06/2019	Monthly and as necessary	Data in machine-readable format (CSV) is made available for access through PSI Portal.
13	City Management/ Temporary heat shelters	07/2019	As and when necessary	Data including name and address in machine-readable format (CSV) is made available for access through PSI Portal.
14	City Management/ Temporary cold shelters	07/2019	As and when necessary	Data including name and address in machine-readable format (CSV) is made available for access through PSI Portal.
15	City Management/ Home Affairs Enquiry Centres	07/2019	As and when necessary	Data including name, address, telephone number and opening hours in machine-readable format (CSV) is made available for access through PSI Portal.
16	City Management/ Centres administering declarations and service time slots	07/2019	As and when necessary	Data including name, address and telephone number in machine-readable format (CSV) is made available for access through PSI Portal.
17	Miscellaneous/ Data of distribution of registered electors by rural committees in 2019	12/2019	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees is provided in machine-readable format (CSV). The data is made available for access through PSI Portal.

18	Miscellaneous / Data of sex profile of registered electors by electoral types in 2019	12/2019	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative is provided in machine-readable format (CSV). The data is made available for access through PSI Portal.
19	City Management/ Barrier-free facilities in community halls/ community centres	03/2020	As and when necessary	The list of barrier-free facilities available in community halls/ community centres. Data in machine-readable format (CSV) is made available for access through PSI Portal.
20	City Management/ Barrier-free facilities in office premises	03/2020	As and when necessary	The list of barrier-free facilities available in Home Affairs Department's office premises. Data in machine-readable format (CSV) is made available for access through PSI Portal.
21	Miscellaneous/ List of Rural Representatives (2019-2023)	06/2020	As and when necessary	List of Rural Representatives (2019-2023) in machine-readable format (CSV) is made available for access through PSI Portal.
22	Miscellaneous/ List of Executive Committee members of 27 Rural Committees (2019-2023)	06/2020	As and when necessary	List of Executive Committee members of 27 Rural Committees (2019-2023) in machine-readable format (CSV) is made available for access through PSI Portal.
23	Miscellaneous/ List of Full Council of the 35th Term of Heung Yee Kuk	06/2020	As and when necessary	List of Full Council of the 35th Term of Heung Yee Kuk in machine-readable format (CSV) is made available for access through PSI Portal.
24	Development/ Existing Village / Market Town Boundaries for Rural Representative Election (2023-2026)	10/2020	One-off	Map showing the boundary of existing villages and market towns in machine-readable format (JSON and GML) is made available for access through PSI Portal.

25	Miscellaneous/ Data of distribution of registered electors by rural committees in 2020	10/2020	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2020 by respective Rural Committees is provided in machine-readable format (CSV). The data is made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year is released annually.
26	Miscellaneous/ Data of sex profile of registered electors by electoral types in 2020	10/2020	Annually	Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2020 is provided in machine-readable format (CSV). The data is made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 18 of Part D) and the new data for each year is released annually.
27	Miscellaneous/ Data of distribution of registered electors by rural committees in 2021	10/2021	Annually	Distribution of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative by respective Rural Committees in 2021 is provided in machine-readable format (CSV). The data is made available for access through PSI Portal. Such type of data was firstly launched in December 2019 (item 17 of Part D) and the new data for each year is released annually.

| 28 | Miscellaneous/ Data of sex profile of registered electors by electoral types in 2021 | 10/2021 | Annually | Sex profile of registered electors for three types of Rural Representative Election including Indigenous Inhabitant Representative, Resident Representative and Kaifong Representative in 2021 is provided in machine-readable format (CSV).
