- (a) An applicant should submit, at least four weeks in advance, a completed application form (in duplicate) to the related CH/CC, setting out the joint organizer/co-organizer (if any), the purpose and the programme of the proposed activities. If an applicant and his joint organizer/co-organizer (if any) meet the conditions for waiver of charges listed in Annex II, he should make the application for that altogether when he submits the application form.
- (b) Application forms are obtainable at the CH/CC or Eastern District Office and can also be downloaded at the homepage of Home Affairs Department (www.had.gov.hk).
- (c) For the number of persons to use the multi-purpose hall/conference room of the CH/CC, please refer to Annex III.
- (d) An applicant will be informed in writing of the outcome of his application as soon as possible. Any addition of joint organizer/co-organizer or change of the joint organizer/co-organizer in the application form is not permitted without approval. If there is any addition or change to the joint organizer/co-organizer in the application form, the applicant shall at 14 working days before the date of the activity, submit in writing to the related District Office to apply for approval. Any addition or change to the joint organizer/co-organizer, whereby causing the applicant to be disqualified from being exempted from payment of charges for hiring the venue or facilities, the applicant shall be at any time responsible for paying the government the charges needed (even though exemption has been awarded).
- (e) On approval of the application, a Demand Note for the settlement of the charges will be sent to an applicant if payment is required.
- (f) An applicant should settle the Demand Note as soon as possible with any of the payment methods stated therein. The receipted Demand Note will serve as a permit for use of the facilities and should be presented to the Officer-in-charge of the CH/CC before the scheduled activities can commence. No cash should be handed to any officers of the CH/CC.
- (g) An applicant shall be refused the use of the facilities if the receipted Demand Note or the letter of approval (where payment has been exempted) cannot be produced at the venue.
- (h) If an applicant intends to cancel the activity, he should give such notice seven working days before the commencement of the activity. Arrangement will be made later on for the applicant to get refunded for the sum he paid by means of the receipted Demand Note.
- (i) If the venue has to be reserved for departmental use under emergency relief arrangement: for example, to accommodate typhoon victims, shelter seekers when the facility is turned into a temporary cold/heat shelter, an applicant so affected will be informed as soon as possible. Any payment made will be refunded on production of receipted Demand Note.
- (j) If an applicant fails to turn up without the notification required by (h) above, any amount paid will be forfeited. The cancellation of activity by the applicant for several times may affect the application in the future.
- (k) If a fee-charging activity has been exempted from charges, an applicant must submit a self-certified statement of account (at **Annex III**) within one month after conclusion of the activity to prove that no profit has been made from the activity. If an applicant is found not eligible for waiver of charges after such waiver has been granted, he will be required to pay back the exempted charges. An applicant needs not attach any bills and supporting documents to the self-certified statement of account when it is first submitted. However, as the District Office will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, an applicant must retain the bills and supporting documents for the activity for two years. Production of such bills and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for random check in the future. - (4) Except as otherwise provided in paragraph 2.2(3), generally the application for hiring Eastern District Community Hall/Centre shall be submitted one month in advance to EDO. For those activities which are free of charge, EDO may at its discretion consider an application which is submitted less than one month in advance, but in whatever case it must be submitted not less than 5 working days before the date of using the facilities. Such discretion does not apply to a fee charging activity

(including those charged activities which intend to apply for exemption from payment of charges for using the facilities of the community hall/centre).

- (5) EDO will regularly post at each community hall/centre notice showing information about the submission dates of the application form, the dates of ballot and the time sessions when the community halls/centre are not yet hired.

2.3 Time frame of hiring session

- (6) All applicants must abide by the following provisions unless prior permission from the District Facilities Management Committee (DFMC) under the Eastern District Council (EDC) has been obtained :
- (i) application should be made according to the following time sessions :
 - (a) 0900 – 1300 hrs

3. Procedure of ballot

- (7) The ballot will generally be held on the 1st working day of the even months of each year, but subject to the announcement of EDO. In accordance with the provision of paragraph 2.3(6)(iii) above, an eligible applicant may apply for seven time sessions at most in each month, amongst which the time session on Saturday and Sunday shall not be more than two. If there is more than one applicant applying for the same time session to use the facilities of the community halls/centre, EDO will decide the hiring arrangement of the session by means of ballot. The applicant to whom the lot comes will be allowed to use the facilities of the community hall/centre. The applicant who fails in the ballot has to choose other time session on a “first come first served” basis according to the arrangement of “sessions not yet hired” as stated in paragraph 4 of this guidelines. If more than one applicant apply for the same time session to use the community hall/centre and if such applicant withdraws the application before the ballot is conducted, then he shall inform EDO in writing as soon as possible. If only one eligible applicant applies for a particular session, then the applicant does not need to take part in a ballot.
- (8) On the condition that the foregoing paragraphs 2.2(3)-(5) are satisfied, the Owners’ Incorporation/Mutual Aid Committee/Owners’ Committee of Eastern District may have priority in using the facilities of the community hall/centre of Eastern District once (hiring two sessions on the same day at most) each year for the purpose of holding the Owners meeting/Flat representatives meeting/Floor representatives meeting. But if other activity (such as gathering party) is going to be held together with the Owners meeting/Flat representatives meeting/Floor representatives meeting, such priority will not be given. Such priority is also not applicable to the “sessions not yet hired”.

- (9) For the sake of fairness, each applicant may only authorize one representative to attend the ballot. The same person may represent only one applicant, otherwise his capacity as a representative shall be deemed null and void and the applicant concerned shall be treated as absent in the ballot. The authorized person must produce to EDO staff the designated authorization letter duly signed by the chairman/responsible person of the organization making the application. The organization making the application must ensure that the representative it authorized has not accepted authorization from other applicants at the same time. The designated authorization letters are available in each community hall/centre free of charge.
- (10) An applicant who was absent in the ballot will be deemed to have given up his relevant application and EDO will not give further notice.

4. Arrangement for sessions not yet hired

- (11) For the sessions not yet hired after the ballot was completed (including the stage meeting room), EDO will accept open applications on the 16th working day of the month of ballot (October and December of the preceding year; February, April, June and August of the prevailing year). An eligible applicant must submit in person the duly completed designated application form to the Community Affairs Team 2 of EDO.

If the eligible applicant delegates or authorizes more than one person, then the eligibility of such representatives shall be deemed null and void. The authorized person shall produce to EDO staff the designated authorization letter which has been signed by the Chairman/responsible person of the applying organization. The applicant must ensure that his delegated or authorized representative has not accepted delegation or authorization from other applicants at the same time.

5. Application for exemption from payment of charges for using the facilities of community halls/centre

- (14) If an applicant and the joint organizer/co-organizer, if any, being non-profit making organizations specified in paragraph (2)(iv)&(v) of Annex II, wishes to apply for exemption from payment of charges for using the facilities of the community halls/centre, he must submit to EDO the following documents. Otherwise his application will not be considered:

members shall not take any profits or assets upon dissolution.

- (iii) a budget for the proposed activity (which must be signed by the responsible person of the organization and bear the chop of the organization) to prove that the organization will not profit from the activity.
- (15) An applicant who has been granted exemption from payment of charges must, within one month after the activity, submit to EDO a statement of account (Schedule I) which has been signed and verified by the responsible person (such as President/Chairman/Manager) of the relevant organization, for file record. The applicant needs not attach any receipts/supporting documents to the statement of account when it is first submitted. However, as EDO will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents for the activity for two years. The applicant must produce such receipts and supporting documents if in future EDO selects the related activity for random check. If the applicant fails to provide the receipts/supporting documents to District Office for inspection upon request, he will get 5 demerit points and will be required to pay back the exempted charges.
- (16) If an applicant fails to submit the statement of account as provided above, he will get 5 demerit points.
- (17) If it is later found out that an applicant and joint organizer/co-organizer, if any, which has been exempted from payment of charges for using the facilities of the community halls/centre does not meet the requirements for exemption, the approval for exemption concerned will be cancelled, and the applicant shall pay the charges concerned as soon as possible.
- (18) Apart from the penalty provided in paragraph 7.2(47), if EDO suspects that the statement of account and related bills submitted by an applicant are untrue or false, EDO will refer them to a relevant department for further investigation.
- (19) If for unforeseen reason, an applicant who has been exempted from payment of charges for using the facilities of the community halls/centre has a surplus after the activity has been held, the applicant shall donate the surplus amount in full to charitable organizations which have been exempted from payment of tax under Section 88 of the Inland Revenue Ordinance (provided that the recipient organization(s) does not belong to the applicant) and hand the donation receipts together with the duly signed and chopped statement of account to EDO. Otherwise, the relevant approval for exempted payment of charges will be cancelled and the applicant shall settle the relevant charges in full.
- (20) If an applicant wishes to hire the community halls/centre for rehearsal of public performance, unless the related public performance is free of charge, otherwise he will not be exempted from payment of charges for using the facilities of the community halls/centre.

- (22) Unless exemption from payment of charges has been granted, an applicant must follow the demand note to settle payment and hand the receipt to EDO. EDO will then issue the approval documents to the applicant for using the community hall/centre after confirmation of payment has been made.
