- (e) For alternation of the nature of activity, the applicant organisation has to submit an application in writing to TMDO at least 7 working days before the date on which the activity is to be held.

2.2 Procedure for payment of charges

- (f) On approval of an application, TMDO will send a Demand Note for the settlement of the charges to the applicant organisation unless payment is waived. The charges of facilities and venues are listed at Appendix 12. A full-hour rate will be charged for an incomplete hour booking.
- (g) The applicant organisation should settle the Demand Note as soon as possible with any of the payment methods stated therein. The applicant organisation should keep the Demand Note imprinted with the sum received properly and present it to the staff on duty at the CH/CC under application before the scheduled activity commences as a permit for use of the facilities in the CH/CC. No cash should be handed to any staff of the CH/CC.
- (h) The applicant organisation shall be refused the use of the facilities if the receipted Demand Note or the letter of approval (where payment has been exempted) cannot be produced at the venue.
- (i) For cancellation of its scheduled activity, the applicant organisation has to notify TMDO in writing at least 7 working days before the date on which the activity is to be held. Necessary action will be taken to refund any payment already made on production of the receipted Demand Note.
- (j) If the applicant organisation fails to turn up to use the facilities without the notification required by clause 2(i) above, any amount paid will be forfeited.
- (k) In case a CH/CC is used for emergency relief or urgent repair works under special circumstances, for example, to accommodate typhoon victims, shelter seekers when the facility is turned into a temporary cold/heat shelter, TMDO has the right to rescind any approved application and will notify the applicant organisation of such rescission as soon as possible. Any payment made will be refunded to the affected applicant organisation on production of the Demand Note imprinted with the sum received.

2.3 Exemption of charges

- (l) The applicant organisation may apply for waiver of hire charges at the same time if it and its joint-organisier(s)/co-organisier(s), if any, can satisfy the conditions set out below:
- i. The facilities may be made available to Government departments free of charge.
 - ii. Organisations belonging to one of the following groups may be completely exempted from charges for using the facilities for non-profit making activities:
 - subvented welfare agencies;
 - subvented educational institutions, subvented schools and non-profit making schools; offices of Legislative Councillors and District Councillors;
 - charitable institutions or trust of a public character which are exempted from tax under Section 88 of the Inland Revenue Ordinance (Cap.112);
 - non-profit making organisations which are:

- (m) If an applicant organisation makes an application to hold a fee-charging activity at a CH/CC, it has to specify in the application form whether it is applying for waiver of hire charges for using the venue. After the balloting exercise is completed, successful applicant organisations who have not submitted Estimates of Income and Expenditure for Fee-charging Activity will receive a letter of notification of balloting result of booking of venue. The applicant organisation has to submit the Estimates of Income and Expenditure for Fee-charging Activity within 7 days from the date of issue of the letter. Failure to do so will render the application invalid.
- (n) If a fee-charging activity has been exempted from charges, the applicant organisation must submit a self-certified statement of account at Appendix 8 within one month after conclusion of the activity to prove that no profit has been made from the activity. If the applicant organisation is found not eligible for waiver of charges after such waiver has been granted, it will be required to pay back the exempted charges. The applicant organisation need not attach any

receipts/supporting documents to the self-certified statement of account when it is first submitted. However, as TMDO will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents for the activity for two years. Production of such receipts and supporting documents for examination is required if the activity is selected by TMDO for random check. If the applicant organisation fails to provide the receipts/supporting documents to TMDO for inspection upon request, it will be required to pay back the exempted charges.

3. **Booking Application**

- (a) Completed booking application forms can be submitted to TMDO during the first 5 working days of the two months prior to the beginning of each quarter at the earliest.

Booking application	Date of submission
First quarter (January – March)	The first 5 working days of November of the year before
Second quarter (April – June)	The first 5 working days of February of the current year
Third quarter (July – September)	The first 5 working days of May of the current year
Fourth quarter (October – December)	The first 5 working days of August of the current year

- To provide more organisations with the chance to use public resources, each organisation may
- (b) submit no more than 20 applications for each CH/CC (including bookings for halls, conference rooms and other facilities) and to a maximum of 100 applications in total for all CHs/CCs in Tuen Mun (each application is counted on a time-slot-available-for-booking basis^{Note}) in every quarter. Should the limit be exceeded, TMDO would randomly pick out the above-stated maximum numbers of applications for the lot drawing exercise.
- (c) Organisations having the same registered address are counted as a single organisation, of which the maximum numbers of applications that may be submitted would be bound by the clause 3(b) above.
- (d) If more than one application for use of venue within the same time slot is received, TMDO will resort to lot drawing. Priority will be given to the applications from the organisations in accordance with the following order:
- i. Tuen Mun District Office and its committees;

^{Note} For long-spanning activities under block booking, “time-slot-available-for-booking” refers to time slots tabulated in the clause 4(b); for one-off activities, application for booking of consecutive time slots within the same day will be regarded as 1 application.

- ii. local organisations in Tuen Mun (in accordance with their registered addresses) having registered for 1 year or above on the deadline of submission of applications;
 - iii. other local organisations in Tuen Mun;
 - iv. organisations outside Tuen Mun District.
- (e) After lots are drawn, unallocated time slots for facilities will be displayed on the notice boards of respective CH/CC and updated from time to time. Enquiry may also be made to TMDO for the information concerned. The unallocated time slots after lot drawing will be allocated as follows:
- i. For time slots made available due to cancellation by successful applicant organisations, TMDO will update the unallocated time slots after the receipt of “Notification for Cancellation”, and the time slots concerned will be allotted to other successful applicant organisations after 3 working days. Drawing lots will be arranged if TMDO receives more than one application during the period. The order of priority stated in clause 3(d) above is not applicable to these case.
 - ii. As for other unallocated time slots without application received during the application submission period, TMDO will normally process applications on a first-come-first-served basis.

However, TMDO has the discretion to consider applications on their own merits and is vested with the right of final decision. Under special circumstances, TMDO may also request block bookers to spare certain time slot(s) approved under their booking for other individual applicant organisations to hold one-off activity.

- (f) If an applicant organisation withdraws more than 5 successful applications within one quarter, the maximum number of applications it may submit in the coming quarter will be reduced to 50% of applications submitted in the current quarter and not more than 50 applications in total. As for long-spanning activities under block booking, cancellation of more than 50% of the sessions over the activity period will be considered as a withdrawal of the entire application.

(B) Rules under the Demerit Points System

1. The Demerit Points System is district-based.
2. Under the Demerit Points System, an applicant organisation or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organiser, only the applicant organisation or hirer will be served the demerit points for breaches of regulations and conditions.
3. Once an organisation or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs within the same District in the next two quarters. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organisation concerned has been allocated other sessions in the present quarter and/or the next quarter, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.
4. In the event that an organisation commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.
5. An organisation which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organisation will also be stated in the letter.
6. The organisation concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.
