(o) The applicant shall be refused the use of the facilities if the receipted Demand Note or the letter of approval (where payment has been exempted) cannot be produced at the venue.

For the purposes of clauses 3(w), 3(x) and 3(y), “Negligence” shall have the same meaning as that assigned to it in section 2(1) of the Control of Exemption Clauses Ordinance (Cap. 71).

Remarks:

1. This statement of account is only applicable to fee-charging activity which has been exempted from charges for use of facilities in community hall/community centre.

2. If a fee-charging activity has been exempted from charges, the applicant organisation must submit a self-certified statement of account within one month after conclusion of the activity.

3. The applicant organisation need not attach any receipts/supporting documents to the self-certified statement of account when it is first submitted. However, as the District Office will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant organisation must retain the receipts and supporting documents for the activity for two years. Production of such receipts and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for random check.

4. The personal data provided in this form will be used for processing of applications for use of facilities in community halls/community centres. They may be disclosed to relevant parties for the same purpose. For correction of or access to personal data thus provided, please write to the Access to Information Officer, Islands District Office, 20th Floor, Harbour Building, 38 Pier Road, Central, H.K.

**Note 1:** Taking into consideration of the time required for processing application, the penalty applies equally to an applicant whose application is made less than 7 working days from the day of the activity.

**Note 2:** Organisation which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served, the validity period as well as the consequences of accruing 10 points or more. For details, please refer to Part (B) points numbers 5 and 6.
(B) Rules under the Demerit Points System

1. The Demerit Points System is district-based.

2. Under the Demerit Points System, an applicant organisation or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a joint organizer/co-organizer, only the applicant organisation or hirer will be served the demerit points for breaches of regulations and conditions.

3. Once an organisation or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs within the same District in the next two quarters. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organisation concerned has been allocated other sessions in the present quarter and/or the next quarter, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.

4. In the event that an organisation commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.

5. An organisation which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organisation will also be stated in the letter.

6. The organisation concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.
The Home Affairs Department has entered into licence agreements with Composers and Authors Society of Hong Kong Limited [CASH], Phonographic Performance (South East Asia) Limited [PPSEAL] and Hong Kong Recording Industry Alliance Limited [HKRIA] for the performance of copyright literary and musical works, playing and showing of sound recordings, music videos and karaoke videos at CHs. The applicant does not need to apply for an individual licence from these three copyright licensing bodies if the copyright works to be performed, played and/or shown at CHs are controlled or administered by these licensing bodies and its performance, playing and/or showing is not excluded by the relevant licence agreements as extracted below.

**Exclusions / Reservation of Rights**

(a) All rights in the Works that are owned or controlled by HKRIA and/or its members and not expressly licenced to the Licensee under the Licence are hereby expressly reserved.

   (i) include any Work in any broadcast, or copy, reproduce, remix, re-record, edit or otherwise deal with any Work, or do any other act which may infringe the copyright subsisting in any Work for any purpose whatsoever; or

Annex V

Guidelines and Conditions on the Use of Movable Partition in Multi-purpose Hall at Tung Chung Community Hall

I. Details of Partitioned Multi-purpose Hall

(a) to facilitate concurrent use of the multi-purpose hall by different organisations, the multi-purpose hall at Tung Chung Community Hall will be partitioned on every Wednesday in the 2 quarters from July 2015, and the opening time will be divided into 6 fixed timeslots (“Partitioned Hall Timeslots”) as follows for bookings:

<table>
<thead>
<tr>
<th>Timeslot</th>
<th>10:00 a.m. to 12:00 noon</th>
<th>12:00 noon to 2:00 p.m.</th>
<th>2:00 p.m. to 4:00 p.m.</th>
<th>4:00 p.m. to 6:00 p.m.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Front portion of the partitioned hall (including stage) [Zone A]</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Rear portion of the partitioned hall [Zone B]</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Organisations allocated with the aforementioned fixed timeslots will be able to use only a designated portion of the multi-purpose hall after the setting up of the movable partition wall panels (i.e. the “Partitioned Hall”).

(b) interested organisations should indicate their preferred partitioned hall and timeslots on the application form and submit the booking application through normal procedures.

(c) the applicant may submit separate booking applications for the front portion of the partitioned hall (including stage) [Zone A] and the rear portion of the partitioned hall [Zone B] using 2 application forms. However, to ensure more organisations could use the partitioned halls, the same organisation will not be allocated with both Zone A and Zone B for the same timeslot (For example: if organisation A has been allocated with Zone A from 10:00 a.m. to 12:00 noon on a Wednesday, then Zone B at the same timeslot will be made available for use by other organisations)

II. Guidelines and Conditions to be followed by the User Organisation

(a) the applicant/user organisation should take notice of the size and minimum number of participants required for using the partitioned halls as follows:

<table>
<thead>
<tr>
<th></th>
<th>Area (square metre)</th>
<th>minimum number of participants</th>
<th>Rate (per hour) - basic charge</th>
<th>Rate (per hour) - air-conditioning charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Front portion of the partitioned hall (including stage) [Zone A]</td>
<td>237</td>
<td>6</td>
<td>$50</td>
<td>$89</td>
</tr>
<tr>
<td>Rear portion of the partitioned hall [Zone B]</td>
<td>180</td>
<td>6</td>
<td>$40</td>
<td>$38</td>
</tr>
</tbody>
</table>
(b) the user organisation must not produce excessive noise interfering other activities taking place in the hall. In case of dispute involves noise nuisance, the staff members of the IsDO shall have the right of final decision.

(c) the applicant / user organisation of Zone B will not be able to use the stage sound system, however lighting will be provided. If necessary, portable projection and sound system is available for use in Zone B.

(d) to ensure fairness, the user organisation may only use the allocated portion of the partitioned hall. If the other portion of the partitioned hall is unallocated, the user organisation may also use the unallocated portion, however, the partition wall panels will not be removed.

III. Arrangements in case of Partition Wall Panel Failure

(a) in case a user organisation allocated with the entire multi-purpose hall (on other days of week) but the partition wall panels could not be removed due to failure, IsDO will inform the affected organisation as soon as possible and the affected user organisation may decide to continue using the hall or not.

(b) in case two user organisations allocated with the partitioned halls but the partition wall panels could not be set up due to failure, the user organisation allocated with Zone A would have priority to use the hall and the approved booking for Zone B will be cancelled. IsDO will inform the affected user organisations as soon as possible. If the user organisations of Zone A and Zone B could reach a mutual agreement, IsDO will allow the organisations to continue holding their own activities concurrently in the hall.

IV. Enquiry

For enquiry on the abovementioned arrangements, please contact IsDO on 2852 4338.
