## **Guidelines on Booking of Facilities in Henry G. Leong Yaumatei Community Centre**

### **(1) Eligibility Criteria**

- 1.3 The proposed activities must be in the public interest and conform to the guidelines on the use of Henry G. Leong Yaumatei Community Centre. Neither shall they be in breach of the law or the peace, nor shall there be any commercial or profit-making purposes.
- 1.4 Applications from commercial organisations are not accepted. The Yau Tsim Mong District Officer/Yau Tsim Mong District Facilities Management Committee (YTMDFMC) may approve applications from commercial organisations provided that the proposed activity has a clear public interest and meet the concern of the local community, and that the provision of venue in a community centre within the Yau Tsim Mong District will greatly facilitate attendance and participation in the activity by the local community.

### **(2) Procedure for Application/Payment of Charges**

- 2.1 The application form may be obtained from the Yau Tsim Mong Home Affairs Enquiry Centre, Henry G. Leong Yaumatei Community Centre or Mong Kok Community Hall. It may also be downloaded from the Home Affairs Department's web site ([http://www.had.gov.hk/en/public\\_services/community\\_halls\\_centres/](http://www.had.gov.hk/en/public_services/community_halls_centres/)).
- 2.2 The Community Centre is available for hiring from 9:00 a.m. to 10:00 p.m., Mondays to Sundays, except the first three days of the Lunar New Year.
- 2.3 Advance booking of venues can be made to YTMDO three months before the quarter<sup>1</sup> of the function date. For instance, applications for use of venues in the second quarter (April to June) can be submitted the soonest in January that year.
- 2.4 Organisations wishing to make a booking may enquire by telephone (tel. no. 2399 2189) during office hours (from 8:45 a.m. to 1:00 p.m. and from 2:00 p.m. to 6:00 p.m., Mondays to Fridays) as to the availability of venues. **Bookings over telephone are not accepted.** Applications are processed upon receipt of application forms.
- 2.5 Application forms for advance booking are collected by YTMDO during office hours as stated above, on the first working day of each quarter starting from 8:45 a.m. **Applications submitted before the prescribed period or outside office hours will not be entertained.** Application forms and all necessary documents can be submitted in the following manner:
- (a) By fax (fax no.: 2397 3425/2395 7010);
  - (b) By email (email address: [chcc\\_ytm@had.gov.hk](mailto:chcc_ytm@had.gov.hk)) (only scanned true copies will be accepted by email.);
  - (c) By post or in person during office hours to YTMDO. (6/F., Mong Kok Government Offices, 30 Luen Wan Street, Mong Kok, Kowloon.).
- 2.6 In the event of inclement weather, YTMDO will not accept application forms submitted in person when the Hong Kong Observatory announces that Tropical Cyclone Warning Signal No. 8 or the Black Rainstorm Warning will be issued. Collection of application forms will be resumed during office hours, two hours after the warning is cancelled.

<sup>1</sup> The quarter refers to the period from January to March, April to June, July to September or October to December.

- 2.7 All organisations should submit their application forms and all necessary documents at least 7 working days before the function date. Applications made less than 7 working days before the function date will not be entertained, except under very special circumstances. The applicant should set out the joint organiser/co-organiser, if any, and specify the purpose and the programme of the proposed activity. The applicant should submit its application for a waiver of hire charges at the same time if it and its joint/organiser/co-organiser, if any, can satisfy the conditions set out in Annex A(I).
- 2.8 All valid application forms must bear the signature of the applicant's officer-in-charge and its official stamp.
- 2.9 For any fee-charging activity, the applicant should indicate the estimated balance of the activity when submitting the application form. If a fee-charging activity is exempted from charges, the applicant must submit a self-certified statement of account (at Annex C) within one month after conclusion of the activity to prove that no profit has been made from the activity. If the applicant is found not eligible for a waiver of charges after such waiver has been granted, it will be required to pay back the exempted charges. The applicant needs not attach any receipts and supporting documents to the self-certified statement of account when it is first submitted. However, as YTMDO will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents relating to the activity for two years. Production of such receipts and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for a random check. If the applicant fails to provide the receipts/supporting documents to District Office for inspection upon request, it will be required to pay back the exempted charges. The statement of account, all receipts and supporting documents must bear the official seal and be certified correct. Should YTMDO suspect any false information in the documents submitted, the case shall be referred to the departments concerned for further investigation.
- 2.10 If a hirer fails to produce a duly certified statement of account for inspection within the specified period (one month after conclusion of the activity) upon request, YTMDO may not accept further applications from the organisation for use of the Community Centre until all required documents have been submitted and duly certified by YTMDO.
- 2.11 If the venue hired by the applicant has to be reserved for departmental use for some important purposes or under emergency relief arrangements (e.g. to serve as a temporary cold/heat shelter for shelter seekers or to accommodate typhoon victims) or for organising functions in the public interest, YTMDO has the right to cancel the approval granted for use of the venue at short notice and the applicant will be informed as soon as possible. Any payment made will be refunded to the applicant upon production of the receipted demand note. YTMDO will not make compensation for any loss thus incurred to the applicant.
- 2.12 Applications received will be considered in the following manner:
- (a) Applications received within the first 7 working days of each quarter for time slots in the next quarter will be considered in accordance with the priority order in para. 1.1 above. If two or more organisations of the same priority group apply for a particular venue in the same time slot, YTMDO will allocate the time slot by drawing lots on the 15<sup>th</sup> working day. Applicants will be informed of the result within the next ten working days. Unsuccessful applicants should submit another application form to YTMDO and YTMDO will consider the application in accordance with para. 2.12(b);
- (b) Applications received on or after the 8<sup>th</sup> working day of each quarter for unallocated time slots will be considered according to the order of submission and on a first-come-first-served basis. If the application is submitted by post or in person, the date and time of receipt will be recorded on the application form. To be fair to all applicants, who may submit their applications either by fax, by email, by post or in person, applications received via various channels will be arranged in the order of submission before further processing by YTMDO. As such, even if an application is submitted in person, YTMDO cannot inform the applicant the result of application on the spot or on the day of submission. Two choices of time slots can be made in each application (YTMDO will only consider the first two time slots if more than two are specified on the application form). If the two chosen time slots are not available, YTMDO will inform the applicant within the next working day after receiving the application. Unsuccessful applicants should submit another application form to YTMDO. Applications will be processed only upon receipt of the application forms.

The quantity of applications submitted for use of the Hall and/or the Multi-purpose Activity Room should comply with para. 2.14 below.

- 2.13 There are three time sessions for use of the Hall:-
- Morning session from 9 a.m. to 1 p.m.;
  - Afternoon session from 1 p.m. to 5 p.m.; and
  - Evening session from 5 p.m. to 10 p.m.
- Applicants can only apply for one time session at a time. For one-off large-scale activities with more than a hundred participants, applications for two successive sessions may be considered.
- 2.14 Bookings of venues by eligible organisations:
- Quarterly block booking : This means weekly use of the same venue in the same time slot for a maximum of 4 hours throughout the quarter.
  - Individual booking : This means single use of a venue. Each time slot generally lasts up to 4 hours. Individual bookings of the Hall for longer time slots for one-off large-scale activities with more than a hundred participants should be made in accordance with para. 2.12 above.

The maximum number of applications that each organisation can submit within the first 7 working days of each quarter for use of the Hall and/or the Multi-purpose Activity Room in the next quarter is set out as any one of the following application combinations:

- (i) 2 block bookings with applied time slots falling on different days; or
- (ii) 1 block booking and 3 individual bookings; or
- (iii) 6 individual bookings.

For combinations (ii) and (iii), no more than two individual bookings should be made in the same month. In case there are unallocated time slots for the Hall or the Multi-purpose Activity Room in the month of the function date, the above booking restrictions will be lifted for individual bookings made two months or less in advance.

- 2.15 For the Hall, the time slots from 5 p.m. to 10 p.m. on Thursdays and all time slots on Saturdays, Sundays and public holidays are not open for quarterly block booking. For the Multi-purpose Activity Room, the time slots from 1 p.m. to 10 p.m. on Saturdays and all time slots on Sundays are not open for quarterly block booking.
- 2.16 Applications for use of the Hall for one or more days for one-off activities may be considered and approved on a case-by-case basis by YTMDFMC. YTMDO will inform the applicants the results of their applications in due course.
- 2.17 The application results informed by YTMDO in writing should be taken as final. No addition or change of joint organiser(s)/co-organiser(s) as set out in the application form is allowed without the prior approval of YTMDO.
- 2.18 Upon approval of the application, a demand note for settlement of charges will be sent to the applicant if payment is required.
- 2.19 The applicant should settle the demand note as soon as possible. The receipted demand note will serve as a facilities use permit. It should be presented to the duty officer of the Community Centre before commencement of the scheduled activity. No cash should be handed to any staff member of the Community Centre.
- 2.20 Priority will be accorded to government departments where the use of facilities in the Community Centre is required for operational reasons.
- 2.21 Regarding the venue charges, please make telephone enquiries to YTMDO (tel. no. 2399 2189), or refer to the “Rates of Charges for Use of Facilities in Community Halls/Community Centres” and the notice posted in Henry G. Leong Yaumatei Community Centre.

### **(3) Other Regulations and Conditions for Compliance by Applicants**

- 3.1 Applicants must follow the guidelines on the use of the venue and the Fire Services Department’s guidelines on the use of facilities in the Community Centre as stipulated in Annex A(III).
- 3.2 A hirer is not allowed to use the facilities in the Community Centre if the letter of approval or the receipted demand note (where payment is required) cannot be produced on the spot.

- 3.4 If the scheduled activity is cancelled and the hirer has not given notice in advance as required in para. 3.3 above, any amount paid will be forfeited. Repeated cancellations may jeopardise future applications.
- 3.5 Any change to the entries made in the application form must be reported to YTMDO in writing at least 7 working days in advance, together with explanations. YTMDO has the right to withdraw the approval granted for use of facilities in the Community Centre in light of the changes.
- 3.6 Use of venue by other organisations or other units within the applicant organisation is not allowed without the prior approval of YTMDO. In case of a breach, the approval granted for use of facilities in the Community Centre will be withdrawn immediately and any amount paid will be forfeited.
- 3.7 The applicant should strictly abide by these guidelines, regulations and conditions, failing which demerit points will be given. Demerit points are given for each breach and counted individually, irrespective of whether the breach happened in the same activity. The number of demerit points attracted depends on the seriousness of the breach, ranging from 3 points for “Minor Breaches”, 5 points for “Serious Breaches” to 10 points for “Very Serious Breaches”. Once an applicant has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking Henry G. Leong Yaumatei Community Centre and Mong Kok Community Hall in the next two quarters, and the approval granted to it for use of facilities in the Community Centre can be withdrawn immediately where circumstances warrant. Details of the demerit point system are at Annex D. Examples showing the calculation of demerit points are at Annex E.

- 3.8 If the applicant commits a most severe breach in using the facilities of the Community Centre, such as causing serious damage to the facilities or injury to or death of any person, or ignoring the instruction of the staff members to return the venue to YTMDO for emergency use, the case will be reverted to YTMDFMC or the Yau Tsim Mong District Officer for adjudication. The breaching organisation may be permanently banned from hiring any venue of Henry G. Leong Yaumatei Community Centre and Mong Kok Community Hall, and the approval granted to it for use of facilities in the Community Centre can be withdrawn immediately.
- 3.9 The Home Affairs Department has entered into licence agreements with Composers and Authors Society of Hong Kong Limited (CASH), Phonographic Performance (South East Asia) Limited and Hong Kong Recording Industry Alliance Limited for the performance of copyright literary and musical works, playing and showing of sound recordings, music videos and karaoke videos controlled or administered by the three licensing bodies at CHs/CCs. The applicant does not need to apply for an individual licence from these three copyright licensing bodies if the copyright works to be performed, played and/or shown by it at CHs/CCs are controlled or administered by these licensing bodies and its performance, playing and/or showing is not excluded by the relevant licence agreements. The exclusions in the relevant licence agreements are set out at [Annex F]. The applicant shall not hinder, obstruct or prevent these licensing bodies from entering any part of the CH/CC used by the applicant for the purpose of the licensing body exercising its right of entry (if any) under the relevant licensing agreement.
- 3.10 (i) Subject to clause 3.9, the applicant shall not use (whether by performing, showing or playing or otherwise) any copyright works (including but not limited to lyrics, music, drama, recorded music, music videos, karaoke videos and film) in a CH/CC or any part thereof, unless the applicant has obtained and maintained at its own cost and expense all necessary approvals, permits or licences which may be required or necessary from the relevant copyright owners.
- (ii) The applicant shall not, and shall ensure that its authorized users shall not, engage in any performance or do any act which infringes the intellectual property rights or any other rights of any person in the course of using the CH/CC.
- 3.11 For the purpose of clause 3, “intellectual property rights” refer to patents, trade marks, service marks, trade names, design rights, copyright, domain names, database rights, rights in know-how, new inventions, designs or processes and other intellectual property rights whether now known or created in future (of whatever nature and wherever arising), and in each case whether registered or unregistered and including applications for the grant of any such rights.
- 3.12 If the applicant performs, plays and/or shows copyright musical works, the applicant shall complete CASH’s “Programme Return Form” and return the duly completed Form to CASH within 30 days from the date of last performance

## Guidelines on the Booking of Facilities in Mong Kok Community Hall

### **(1) Eligibility Criteria**

- 1.1 The following organisations are eligible to make venue booking applications. In case more than one application for use of the same venue in the same time slot is received, the Yau Tsim Mong District Office (YTMDO) will allocate the time slot according to the order of priority listed below:
- (a) YTMDO and other government departments;
  - (b) public organisations, the Yau Tsim Mong District Council and its committees/working groups, Yau Tsim Mong District Councilors' offices, local committees of the Yau Tsim Mong District (e.g. Area Committees, Summer Youth Programme District Co-ordinating Committees, District Fight Crime Committees, etc.), kaifong welfare associations in the Yau Tsim Mong District and specified organisations listed in the Guidelines on Yau Tsim Mong District Council Funds (including Yin Ngai Societies, Yau Tsim Mong District School Liaison Committee, Yau Ma Tei and Tsim Sha Tsui Culture and Arts Association, Yau Ma Tei and Tsim Sha Tsui Recreation and Sports Association and Mong Kok District Cultural Recreational and Sports Association);

- 1.2 Applications from other organisations/institutions will be considered separately on the merits of their proposed activities.
- 1.3 The proposed activities must be in the public interest and conform to the guidelines on the use of Mong Kok Community Hall. Neither shall they be in breach of the law or the peace, nor shall there be any commercial or profit-making purposes.
- 1.4 Applications from commercial organisations are not accepted. The Yau Tsim Mong District Officer/Yau Tsim Mong District Facilities Management Committee (YTMD/DFMC) can approve applications from commercial organisations provided that the proposed activity has a clear public interest and meet the concern of the local community, and that the provision of venue in a community hall within the Yau Tsim Mong District will greatly facilitate attendance and participation in the activity by the local community.

### **(2) Procedure for Application/Payment of Charges**

- 2.1 The application form may be obtained from the Yau Tsim Mong Home Affairs Enquiry Centre, Henry G. Leong Yaumatei Community Centre or Mong Kok Community Hall. It may also be downloaded from the Home Affairs Department's web site ([http://www.had.gov.hk/en/public\\_services/community\\_halls\\_centres/](http://www.had.gov.hk/en/public_services/community_halls_centres/)).
- 2.2 The Community Hall is available for hiring from 9:00 a.m. to 10:00 p.m., Mondays to Sundays, except the first three days of the Lunar New Year.
- 2.3 Advance booking of venues can be made to YTMDO three months before the quarter<sup>1</sup> of the function date. For instance, applications for use of venues in the second quarter (April to June) can be submitted the soonest in January that year.
- 2.4 Organisations wishing to make a booking may enquire by telephone (tel. no. 2399 2189) during office hours (from 8:45 a.m. to 1:00 p.m. and from 2:00 p.m. to 6:00 p.m., Mondays to Fridays) as to the availability of venues. Bookings over telephone are not accepted. Applications are processed upon receipt of application forms.
- 2.5 Application forms for advance booking are collected by YTMDO during office hours as stated above, on the first working day of each quarter starting from 8:45 a.m. Applications submitted before the prescribed period or outside office hours will not be entertained. Application forms and all necessary documents can be submitted in the following manner :
- (a) By fax (fax no.: 2397 3425/2395 7010);
  - (b) By email (email address: [chcc\\_ytm@had.gov.hk](mailto:chcc_ytm@had.gov.hk)) (only scanned true copies will be accepted by email.);
  - (c) By post or in person during office hours to YTMDO. (6/F., Mong Kok Government Offices, 30 Luen Wan Street, Mong Kok, Kowloon.)
- 2.6 In the event of inclement weather, YTMDO will not accept application forms submitted in person when the Hong Kong Observatory announces that Tropical Cyclone Warning Signal No. 8 or the Black Rainstorm Warning will be

---

<sup>1</sup> The quarter refers to the period from January to March, April to June, July to September or October to December.

issued. Collection of application forms will be resumed during office hours, two hours after the warning is cancelled.

- 2.7 All organisations should submit their application forms and all necessary documents at least 7 working days before the function date. Applications made less than 7 working days before the function date will not be entertained, except under very special circumstances. The applicant should set out the joint organiser/co-organiser, if any, and specify the purpose and the programme of the proposed activity. The applicant should submit its application for a waiver of hire charges at the same time if it and its joint organiser/co-organiser, if any, can satisfy the conditions set out in Annex B(I).
- 2.8 All valid application forms must bear the signature of the applicant's officer-in-charge and its official stamp.
- 2.9 For any fee-charging activity, the applicant should indicate the estimated balance of the activity when submitting the application form. If a fee-charging activity is exempted from charges, the applicant must submit a self-certified statement of account (at Annex C) within one month after conclusion of the activity to prove that no profit has been made from the activity. If the applicant is found not eligible for a waiver of charges after such waiver has been granted, it will be required to pay back the exempted charges. The applicant needs not attach any receipts and supporting documents to the self-certified statement of account when it is first submitted. However, as YTMDO will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents relating to the activity for two years. Production of such receipts and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for a random check. If the applicant fails to provide the receipts/supporting documents to District Office for inspection upon request, it will be required to pay back the exempted charges. The statement of account, all receipts and supporting documents must bear the official seal and be certified correct. Should YTMDO suspect any false information in the documents submitted, the case shall be referred to the departments concerned for further investigation.
- 2.10 If a hirer fails to produce a duly certified statement of account for inspection within the specified period (one month after conclusion of the activity) upon request, YTMDO may not accept further applications from the organisation for use of the Community Hall until all required documents have been submitted and duly certified by YTMDO.
- 2.11 If the venue hired by the applicant has to be reserved for departmental use for some important purposes or under emergency relief arrangements (e.g. to serve as a temporary cold/heat shelter for shelter seekers and to accommodate typhoon victims) or for organising functions to be held in the public interest, YTMDO has the right to cancel the approval granted for use of the venue at short notice and the applicant will be informed as soon as possible. Any payment made will be refunded to the applicant upon production of the receipted demand note. YTMDO will not make compensation for any loss thus incurred to the applicant.
- 2.12 Applications received will be considered according to the following manner:
- (a) Applications received within the first 7 working days of each quarter for time slots in the next quarter will be considered in accordance with the priority order in para. 1.1 above. If two or more organisations of the same priority group apply for a particular venue in the same time slot, YTMDO will allocate the time slot by drawing lots on the 15<sup>th</sup> working day. Applicants will be informed of the result within the next ten working days. Unsuccessful applicants should submit another application form to YTMDO and YTMDO will consider the application in accordance with para. 2.12(b);
- (b) Applications received on or after the 8<sup>th</sup> working day of each quarter for unallocated time slots will be considered according to the order of submission and on a first-come-first-served basis. If the application is submitted by post or in person, the date and time of receipt will be recorded on the application form. To be fair to all applicants, who may submit their applications either by fax, by email, by post or in person, applications received via various channels will be arranged in the order of submission before further processing by YTMDO. As such, even if an application is submitted in person, YTMDO cannot inform the applicant the result of application on the spot or on the day of submission. Two choices of time slots can be made in each application (YTMDO will only consider the first two time slots if more than two are specified on the application form). If the two chosen time slots are not available, YTMDO will inform the applicant within the next working day after receiving the application. Unsuccessful applicants should submit another application form to YTMDO. Applications will be processed only upon receipt of the application forms.

The quantity of applications submitted for use of the Hall should comply with para. 2.14 below.

- 2.13 There are three time sessions for use of the Hall:-
- Morning session from 9 a.m. to 1 p.m.;
  - Afternoon session from 1 p.m. to 5 p.m.; and
  - Evening session from 5 p.m. to 10 p.m.

Applicants can only apply for one time session at a time. For one-off large-scale activities with more than a hundred participants, applications for two successive sessions may be considered.

- 2.14 Bookings of venues by eligible organisations:

- Quarterly block booking : This means weekly use of the same venue in the same time slot for a maximum of 4 hours throughout the quarter.
- Individual booking : This means single use of a venue. Each time slot generally lasts up to 4 hours. Individual bookings of the Hall for longer time slots for one-off large-scale activities with more than a hundred participants should be made in accordance with para. 2.12 above.

The maximum number of applications that each organisation can submit within the first 7 working days of each quarter for use of the Hall in the next quarter is set out as any one of the following application combinations:

- (i) 2 block bookings with applied time slots falling on different days; or
- (ii) 1 block booking and 3 individual bookings; or
- (iii) 6 individual bookings.

For combinations (ii) and (iii), no more than two individual bookings should be made in the same month. In case there are unallocated time slots for the Hall in the month of the function date, the above booking restrictions will be lifted for individual bookings made two months or less in advance.

- 2.15 For the Hall, the time slots from 5 p.m. to 10 p.m. on Tuesdays and Thursdays and all time slots on Saturdays, Sundays and public holidays are not open for quarterly block booking. For the Conference Room, the time slots from 5 p.m. to 10 p.m. on Mondays and Fridays are not open for quarterly block booking.
- 2.16 Applications for use of the Hall for one or more days for one-off activities may be considered and approved on a case-by-case basis by YTMDFMC. YTMDO will inform the applicants the results of their applications in due course.
- 2.17 The application results informed by YTMDO in writing should be taken as final. No addition or change of joint organiser(s)/co-organiser(s) as set out in the application form is allowed without the prior approval of YTMDO.
- 2.18 Upon approval of the application, a demand note for settlement of charges will be sent to the applicant if payment is required.
- 2.19 The applicant should settle the demand note as soon as possible. The receipted demand note will serve as a facilities use permit. It should be presented to the duty staff of the Community Hall before commencement of the scheduled activity. No cash should be handed to any staff member of the Community Hall.
- 2.20 Priority will be accorded to government departments where the use of facilities in the Community Hall is required for operational reasons.
- 2.21 Regarding the venue charges, please make telephone enquiries to YTMDO (tel. no. 2399 2189), or refer to the “Rates of Charges for Use of Facilities in Community Halls/Community Centres” and the notice posted in Mong Kok Community Hall.

### **(3) Other Regulations and Conditions for Compliance by Applicants**

- 3.1 Applicants must follow the guidelines on the use of the venue and the Fire Services Department’s guidelines on the use of facilities in the Community Hall as stipulated in Annex B(III).
- 3.2 A hirer is not allowed to use the facilities in the Community Hall if the letter of approval or the receipted demand note (where payment is required) cannot be produced on the spot.
- 3.3 Notification of cancellation of the booking should be made to YTMDO in writing at least 7 working days in advance, together with the reason for cancellation. Upon approval of the cancellation, any payment made will be refunded on production of the receipted demand note.
- 3.4 If the scheduled activity is cancelled and the hirer fails to give notice in advance as required in para. 3.3 above, any amount paid will be forfeited. Repeated cancellations may jeopardise future applications.
- 3.5 Any change to the entries made in the application form must be reported to YTMDO in writing at least 7 working days in advance, together with explanations. YTMDO has the right to withdraw the approval granted for use of facilities in the Community Hall in light of the changes.
- 3.6 Use of the venue by other organisations or other units within the applicant organisation is not allowed without the prior approval of YTMDO. In case of a breach, the approval granted for use of facilities in the Community Hall will be withdrawn immediately and any amount paid will be forfeited.
- 3.7 The applicant should strictly abide by these guidelines, regulations and conditions, failing which demerit points will be given. Demerit points are given for each breach and counted individually, irrespective of whether the breach

happened in the same activity. Each breach will attract demerit points ranging from 3 points for “Minor Breaches”, 5 points for “Serious Breaches” to 10 points for “Very Serious Breaches”, having regard to the seriousness of the breach. Once an applicant has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking community hall facilities in the district where it reaches or exceeds the demerit point threshold in the next two quarters, and the approval granted to it for use of facilities in the Community Hall can be withdrawn immediately where circumstances warrant. Details of the demerit point system are at Annex D. Examples showing the calculation of demerit points are at Annex E.

- 3.8 If the applicant commits a most severe breach in using the facilities of the Community Hall, such as causing serious damage to the facilities or injury to or death of any person, or ignoring the instruction of the staff members to return the venue to YTMDO for emergency use, the case will be reverted to YTMDFMC or the Yau Tsim Mong District Officer for adjudication. The breaching organisation may be permanently banned from hiring any venue of Henry G. Leong Yaumatei Community Centre and Mong Kok Community Hall, and the approval granted to it for use of facilities in the Community Hall can be withdrawn immediately.
- 3.9 The Home Affairs Department has entered into licence agreements with Composers and Authors Society of Hong Kong Limited (CASH), Phonographic Performance (South East Asia) Limited and Hong Kong Recording Industry Alliance Limited for the performance of copyright literary and musical works, playing and showing of sound recordings, music videos and karaoke videos controlled or administered by the three licensing bodies at CHs/CCs. The applicant does not need to apply for an individual licence from these three copyright licensing bodies if the copyright works to be performed, played and/or shown by it at CHs/CCs are controlled or administered by these licensing bodies and its performance, playing and/or showing is not excluded by the relevant licence agreements. The exclusions in the relevant licence agreements are set out at [Annex F]. The applicant shall not hinder, obstruct or prevent these licensing bodies from entering any part of the CH/CC used by the applicant for the purpose of the licensing body exercising its right of entry (if any) under the relevant licensing agreement.
- 3.10 (i) Subject to clause 3.9, the applicant shall not use (whether by performing, showing or playing or otherwise) any copyright works (including but not limited to lyrics, music, drama, recorded music, music videos, karaoke videos and film) in a CH/CC or any part thereof, unless the applicant has obtained and maintained at its own cost and expense all necessary approvals, permits or licences which may be required or necessary from the relevant copyright owners.
- (ii) The applicant shall not, and shall ensure that its authorized users shall not, engage in any performance or do any act which infringes the intellectual property rights or any other rights of any person in the course of using the CH/CC.
- 3.11 For the purpose of clause 3, “intellectual property rights” refer to patents, trade marks, service marks, trade names, design rights, copyright, domain names, database rights, rights in know-how, new inventions, designs or processes and other intellectual property rights whether now known or created in future (of whatever nature and wherever arising), and in each case whether registered or unregistered and including applications for the grant of any such rights.
- 3.12 If the applicant performs, plays and/or shows copyright musical works, the applicant shall complete CASH’s “Programme Return Form” and return the duly completed Form to CASH within 30 days from the date of last performance

## **(B) Rules under the Demerit Points System**

1. The Demerit Points System is district-based.
2. Under the Demerit Points System, an applicant organisation or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach happened in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organiser, only the applicant organisation or hirer will be served the demerit points for breaches of regulations and conditions.
3. Once an organisation or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs in the same District in the next two quarters. All the points that led to the ban will then be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organisation concerned has been allocated other sessions in the present quarter and/or the next quarter, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.
4. In the event that an organisation commits two or more breaches in the same activity, the breach that incurred the highest demerit points will be counted first for the purpose of imposing a ban on booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breach(es) committed in the same activity, which have not been counted for imposing the ban, will be carried forward.
5. An organisation which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organisation will also be stated in the letter.
6. The organisation concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.
7. If the applicant commits a most severe breach in using the facilities of the CH/CC, such as causing serious damage to the facilities or injury to or death of any person, or ignoring the instruction of the staff members to return the venue to YTMDO for emergency use, the case will be reverted to the Yau Tsim Mong District Facilities Management Committee or the Yau Tsim Mong District Officer for adjudication. The breaching organisation may be permanently banned from hiring any venue of Henry G. Leong Yaumatei Community Centre and Mong Kok Community Hall, and the approval granted to it for use of facilities in the Community Centre/Community Hall can be withdrawn immediately.

**Henry G. Leong Yaumatei Community Centre (CC)/ Mong Kok Community Hall (CH)**  
**Examples of Calculating Demerit Points**

Assuming that advance booking is allowed, that applications for use of CH/CC facilities are processed on a quarterly basis and that timeslots are allocated through a ballot system, an applicant who wished to use a CH/CC facility in Q4 of 2011 was allowed to submit an application at the beginning of Q3 of 2011. The Yau Tsim Mong District Office would notify successful applicants in writing accordingly.

**Example A**

No. of points	3	5	3
Date of breach	1.6.2010	10.1.2011	5.6.2011
Total demerit points accrued	3	8	8

As at 5.6.2011, only 8 points had been accrued within a period of 12 months because the 3 points incurred on 1.6.2010 had lapsed by 1.6.2011.

**Example B**

No. of points	3	5	3
Date of breach	1.6.2010	10.1.2011	28.5.2011
Total demerit points accrued	3	8	11

As at 28.5.2011, 11 points had been accrued within a period of 12 months. A ban on bookings of CH/CC facilities in the next two quarters (i.e. Q4 of 2011 and Q1 of 2012) was imposed. All the 11 points arising from the 3 breaches were cleared. Assuming that the organisation concerned had other successful bookings of CH/CC facilities in the remainder of Q2 and also Q3 of 2011, it may continue to use the allocated sessions up to Q3 of 2011 unless otherwise directed. Demerit points arising from new breaches of guidelines and regulations will be counted afresh after 28.5.2011.

**Example C**

No. of points	3	5	3	10
Date of breach	1.6.2010	10.1.2011	28.5.2011	30.6.2011
Total demerit points accrued	3	8	11	10

Following Example B above, the organisation committed a 10-point breach on 30.6.2011. Another ban on bookings in the two quarters following the two quarters under the first ban was imposed, i.e. the organisation will not be allowed to make venue booking applications for a total period of 12 months.

2. In the event that an organisation commits two or more breaches in the same activity, the breach that incurred the highest demerit points will be counted first. The remaining lower demerit points incurred from the other breach(es) committed in the same activity will be carried forward. Details are illustrated below.

**Example D**

No. of points	3	3	3 5	5 3
Date of breach	1.6.2010	10.1.2011	28.5.2011	3.4.2012
Total demerit points accrued	3	6	11+3 (3 points carried forward)	11

On 28.5.2011, two separate breaches were found in the same activity. Since the highest demerit points incurred in this activity was 5, the 5-point breach was counted first while the 3-point breach would be carried forward. 11 points were then accrued when 5 points were added to the original 6 points accrued on 10.1.2011. A ban on bookings in the next two quarters (bookings for use of CH/CC facilities in Q4 of 2011 and Q1 of 2012) was imposed and the 11 points arising from the 3 breaches would be cancelled after the ban was imposed. The remaining 3 points from the remaining breach incurred in the same activity on 28.5.2011 would then be carried forward. On 3.4.2012, another two breaches were found. Since the addition of the 3 points brought forward from 28.5.2011 and the 8 points incurred on 3.4.2012 resulted in an accrual of 11 points within 12 months, both new breaches were counted, thus necessitating the issue of another ban.
