- (9) All of the above regulations should be observed by the applicant. If an applicant violates the above regulations or fails to clean the venue to the satisfaction of the

SSPDO, the SSPDO might consider withdrawing the approval already given to the applicant for the use of CC/CH and/or for eating on the venue at a later date/session. In the case of grave breaches, the SSPDO might consider rejecting any future applications for the use of the CC/CH and/or any future applications for eating on the venue from the organization.

(B) Rules under the Demerit Points System

1. The Demerit Points System is district-based.
2. Under the Demerit Points System, an applicant organization or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a joint organizer / co-organizer, only the applicant organization or hirer will be served the demerit points for breaches of regulations and conditions.
3. Once an organization or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs within the same District in the next two quarters. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organization concerned has been allocated other sessions in the [present quarter and/or the next quarter]*, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.
4. In the event that an organization commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.
5. An organization which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organization will also be stated in the letter.
6. The organization concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.

Examples of Calculating Demerit Points

Assuming that advance booking is allowed, that applications for use of CH/CC facilities are processed on a quarterly basis and that timeslots are allocated through a ballot system, an applicant who wished to use a CH/CC facility in Q4 of 2011 was allowed to submit an application before the end of Q2 of 2011. Successful applicants would be notified in writing accordingly.

Example A

No. of points	3	5	3
Date of breach	1.6.2010	10.1.2011	5.6.2011
Total demerit points accrued	3	8	8

As at 5.6.2011, only 8 points had been accrued within a period of 12 months because the 3 points incurred on 1.6.2010 had lapsed by 1.6.2011.

Example B

No. of points	3	5	3
Date of breach	1.6.2010	10.1.2011	28.5.2011
Total demerit points accrued	3	8	11

As at 28.5.2011, 11 points had been accrued within a period of 12 months. A ban on bookings of CH/CC facilities in the next two quarters (i.e. Q4 of 2011 and Q1 of 2012) was imposed. All the 11 points arising from the 3 breaches were cleared. Assuming that the organization concerned had other successful bookings of CH/CC facilities in the remainder of Q2 and also Q3 of 2011, it may continue to use the allocated sessions up to Q3 of 2011 unless otherwise directed. Demerit points arising from new breaches of guidelines and regulations will be counted afresh after 28.5.2011.

Example C

No. of points	3	5	3	10
Date of breach	1.6.2010	10.1.2011	28.5.2011	30.6.2011
Total demerit points accrued	3	8	11	10

Following Example B above, the organization committed a 10-point breach on 30.6.2011. Another ban on bookings in the two quarters following the two quarters under the first ban was imposed, i.e. the

organization will not be allowed to make venue booking applications for a total period of 12 months.
--

2. In the event that an organization commits two or more breaches in the same activity, the breach that incurred the highest demerit points will be counted first. The remaining lower demerit points incurred from the other breaches committed in the same activity will be carried forward. Details are illustrated below.

Example D

No. of points	3	3	3 5	5 3
Date of breach	1.6.2010	10.1.2011	28.5.2011	3.4.2012
Total demerit points accrued	3	6	11+3 (3 points carried forward)	11

On 28.5.2011, two separate breaches were found in the same activity. Since the highest demerit points incurred in this activity was 5, the 5-point breach was counted first while the 3-point breach would be carried forward. 11 points were then accrued when 5 points were added to the original 6 points accrued on 10.1.2011. A ban on bookings in the next two quarters (bookings for use of CH/CC facilities in Q4 of 2011 and Q1 of 2012) was imposed and the 11 points arising from the 3 breaches would be cancelled after the ban was imposed. The remaining 3 points from the remaining breach incurred in the same activity on 28.5.2011 would then be carried forward. On 3.4.2012, another two breaches were found. Since the addition of the 3 points brought forward from 28.5.2011 and the 8 points incurred on 3.4.2012 resulted in an accrual of 11 points within 12 months, both new breaches were counted, thus necessitating the issue of another ban.

The Home Affairs Department has entered into licence agreements with Composers and Authors Society of Hong Kong Limited [CASH], Phonographic Performance (South East Asia) Limited [PPSEAL] and Hong Kong Recording Industry Alliance Limited [HKRIA] for the performance of copyright literary and musical works, playing and showing of sound recordings, music videos and karaoke videos at CHs/CCs. The applicant does not need to apply for an individual licence from these three copyright licensing bodies if the copyright works to be performed, played and/or shown by it at CHs/CCs are controlled or administered by these licensing bodies and its performance, playing and/or showing is not excluded by the relevant licence agreements as extracted below.
