

**Notes for Application**  
**for the Use of Community Halls / Community Centres in Tai Po (Revised)**

The Notes are formulated by the Working Group on Facilities Management (“the Working Group”) under the Tai Po District Council (“the TPDC”) and is executed by the Tai Po District Office (“the TPDO”).

Applicants must comply with the following regulations and conditions on the use of the venues:

**(I) Eligibility Criteria for Making Applications**

(1) The eligibility criteria for making applications are set out below –

Subvented welfare agencies, subvented educational institutions, subvented schools or non-profit making schools, offices of the Legislative Councillors and District Councillors, charitable institutions, non-profit making organizations, local committees/organizations recognized by the Government, and Government departments.
- ii. As a rule, applications from commercial organizations are not accepted. Nevertheless, District Officer (Tai Po) / District Facilities Management Committees have discretion to approve applications from commercial organizations provided that the activity such as public consultation and briefing has a clear public interest dimension and is of public concern to the local community and that the provision of the venue in a CH/CC within the District will greatly facilitate the attendance and participation of the local community.
- iii. Non-commercial organizations are not deprived of the opportunity to use facilities in CHs/CCs simply because the activities they organize would make a profit. Applications from non-commercial organizations for organizing activities which would make a profit are not rejected if the nature of the activities is for community building and for good causes. If such applications are successful, the applicant organization should be subject to fee-charging.
- iv. Applications from individuals are not accepted.

**(II) Submission of Application**

- (2) An applicant who wishes to apply for the use of a community hall (“CH”) / community centre (“CC”) for holding continuous activities lasting for not more than three months, or for holding non-continuous one-off activities, shall submit an application (in duplicate) to the TPDO two quarters prior to the holding of the activities, specify the name of the joint organizer / co-organizer (if any), the purpose and the programme of the activities. For example, if the applicant wishes to apply for the use of a CH/CC from October to December (i.e. the fourth quarter of the year), he should apply between April and June (i.e. the second quarter of the year). The applicant may apply for waiver of hire charges at the same time if it and its joint organizer / co-organizer (if any) can satisfy the conditions set out at Annex I.
- (3) Each application form is for one activity only. Application forms are obtainable at the CH/CC Section of the TPDO and the homepage of the Home Affairs Department ([www.had.gov.hk](http://www.had.gov.hk)). If a proposed activity will last for more than three months, the applicant shall submit a fresh application for the use of the venue in the next quarter.
- (4) An applicant who wishes to hold continuous activities should apply for the use of a CH/CC according to the following sessions –

Mondays to Sundays and Public Holidays	7:00am to 9:00am 9:00am to 11:00am 11:00am to 2:00pm 2:00pm to 4:00pm 4:00pm to 6:00pm 6:00pm to 8:00pm 8:00pm to 10:00pm
--	---

If the duration of the activity is less than the number of hours in that particular session, the applicant should state clearly the starting and ending time of the activity in the application.

- (5) The applicant shall not apply for the use of more than one CH/CC for any particular session.

- (6) The applicant who wishes to hold continuous activities shall apply for the use of only one facility (e.g. hall, meeting room, exhibition hall etc.) of a CH/CC for any particular session.
- (7) Each applicant may apply for hiring/borrowing the facilities of a CH/CC for no more than two days in any single month for holding non-continuous one-off activities.

**(III) Vetting Criteria and Payment Procedures**

- (8) Non-continuous one-off activities sponsored by the TPDC are given priority. Such applicants should indicate this in the application and enclose the relevant application form for sponsorship. If the sponsorship is not approved eventually, the hired session will be cancelled.
- (9) As for activities not applicable to clause (8), applications for the use of CHs/CCs for holding activities by TPDC Members / Tai Po owners' incorporations / Tai Po mutual aid committees / Tai Po non-profit-making organizations / Tai Po charitable organizations will be given priority.
- (10) An approval letter for the use of the facilities of a CH/CC will be issued to the successful applicant. Any addition or change to the joint organizer / co-organizer as set out in the application form is not permitted without approval.
- (11) If more than one applicant apply for the use of the same facility of a CH/CC and agreement on the use of the facility cannot be reached, the right to use the facility will be determined by lot (please refer to the Annex II). The result of the lot is final and applicants should raise no objection to it.
- (12) After lot-drawing exercises, applicants may still apply for unallocated timeslots. However, any such application should reach the TPDO at least seven working days prior to the holding of the activity.
- (13) Under emergency situation (e.g. disaster, unexpected incident etc.), the TPDO may exercise discretion to approve applications submitted less than seven working days prior to the holding of the non-continuous one-off activities.

- (14) If a venue has been used by an applicant for holding continuous activities for more than two quarters (i.e. six months), the TPDO will consider giving priority to other applicants applying for use of the same venue.
- (15) Each applicant shall not apply for the use of a particular CH/CC for more than ten hours a week or else the TPDO has the right to give priority to other applicants.
- (16) The applicant shall not provide commercial services of any kind in a CH/CC or else he shall be subject to cancellation of his right to use the venue with immediate effect.
- (17) If a fee-charging activity has been exempted from charges, the applicant must submit a self-certified statement of account (at Annex III) within one month after conclusion of the activity to prove that no profit has been made from the activity. If the applicant is found not eligible for waiver of charges after such waiver has been granted, it will be required to pay back the exempted charges. The applicant need not attach any receipts/supporting documents to the self-certified statement of account when it is first submitted. However, as the TPDO will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents for the activity for two years. Production of such receipts and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for random check. If the applicant fails to provide the receipts/supporting documents to District Office for inspection upon request, it will be required to pay back the exempted charges.
- (18) On approval of the application, a Demand Note will be sent to the applicant if payment is required.
- (19) The applicant shall settle the charges as soon as possible by any of the payment methods stated on the Demand Note. A receipted Demand Note will serve as a permit for the use of the venue and the facilities and shall be presented to the officer-in-charge of the CH/CC before the scheduled activities can commence. No cash should be handed to any officer of the CH/CC.
- (20) The applicant shall be refused the use of the venue and the facilities if the receipted Demand Note or the letter of approval (where payment has been exempted) cannot be produced at the venue.

## **(B) Rules under the Demerit Points System**

1. The Demerit Points System is district-based.
2. Under the Demerit Points System, an applicant organization or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organizer, only the applicant organization or hirer will be served the demerit points for breaches of regulations and conditions.
3. Once an organization or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs within the same District in the next two quarters following the next quarter. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organization concerned has been allocated other sessions in the present quarter or the next quarter, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.
4. In the event that an organization commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.
5. An organization which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organization will also be stated in the letter.
6. The organization concerned may submit a written representation for District Officer (Tai Po)’s consideration within two weeks from the issue date of the warning letter. District Officer (Tai Po) has the authority not to give any demerit points if he/she finds the representation justified.
