Guidelines and Conditions on Application for the Use of Facilities
in Kowloon City District
(May 2017)

1. This guideline is applicable to all Community Hall (CH)/Community Centre (CC) in Kowloon City District unless specified.

2. Eligibility criteria
The eligibility criteria for the use of CH/CC are as follows:

(a) The applicant should be a registered society, a charitable/non-profit making/non-commercial organization, a school, a Government recognized district committee/organization, or a Government Department. Application from organization/body or individual other than the above will be examined separately by the Kowloon City District Office (KCDO) on the basis of the nature of the activities.

(b) The proposed activities must be in the interest of the public or serve the purpose of community building. Activities of commercial nature, in breach of the law or liable to cause social disorder will not be allowed.

3. Procedure for application/payment of charges
(a) The applicant should submit, four months before the date of the activity for quarterly advance bookings (i.e. January to April, May to August, September to December), or four weeks in advance of the date of activity, a completed application form to the KCDO setting out the joint organizer/co-organizer, if any, specifying the purpose and the programme of the proposed activities. The applicant may apply for waiver of hire charges at the same time if it and its joint organizer/co-organizer (if any), can satisfy the conditions set out in Annex I. The completed Application Form may be sent to the KCDO in person, by fax, by post or by email (address: Kowloon City District Office, 8/F, No. 42 Bailey Street/fax: 3691 8897/email: ch_kc@had.gov.hk).

(b) Application forms are obtainable at the CH/CC or KCDO and the homepage of Home Affairs Department (www.had.gov.hk). Enquiry telephone number: 2621 3420.

(c) For booking for the use of multi-purpose hall, the minimum number of participants should not be less than 10.

(d) The applicant will be informed in writing of the outcome of its application. Any addition or change of the joint organizer/co-organizer as set out in the application form is not permitted without approval.

(e) On approval of the application, a Demand Note for the settlement of the charges will be sent to the applicant if payment is required. Rates of charges and exemption from payment of charges for use of the CH/CC is at Annex I.

(f) The applicant should settle the Demand Note as soon as possible with any of the payment methods stated therein. The receipted Demand Note will serve as a permit for use of the facilities and should be presented to the officer-in-charge of the CH/CC before the scheduled activity commence. No cash should be handed to any staff members of the CH/CC.

(g) The applicant shall be refused the use of the venue and facilities if the receipted Demand Note or the letter of approval for exemption of payment cannot be produced at the venue.

(h) If amendments regarding the proposed activity or details in the application form have to be made after approval is given, the applicant should provide written notification with explanation 14 working days before the date of activity. Regarding such amendments, the applications have to be reconsidered.

(i) Written notification of cancellation of the proposed activities should be submitted 14 working days in advance. Necessary action will be taken to refund any payment already made on production of receipted Demand Note.

(j) If the venue has to be reserved for departmental use under emergency relief arrangement, for example, to accommodate typhoon victims, shelter seekers when the facility is turned into a temporary cold/heat
shelter, the applicant so affected will be informed as soon as possible. Any payment made will be refunded on production of receipted Demand Note.

\((k)\) If an applicant fails to turn up by the approved time slot without the notification required by \((h)\) above, any amount paid will be forfeited.

\((l)\) If a fee-charging activity has been exempted from charges, the applicant must submit a self-certified statement of account (at Annex II) within one month after conclusion of the activity to prove that no profit has been made from the activity. If the applicant is found not eligible for waiver of charges after such waiver has been granted, it will be required to pay back the exempted charges. The applicant needs not attach any receipts/supporting documents to the self-certified statement of account when it is first submitted. However, as the District Office will conduct random checks on statements of account of fee-charging activities which have been exempted from charges, the applicant must retain the receipts and supporting documents for the activity for two years. Production of such receipts and supporting documents for examination is required if the self-certified statement of account in respect of the activity is selected for random check. If the applicant fails to provide the receipts/supporting documents to District Office for inspection upon request, it will be required to pay back the exempted charges.

Remarks: The above listed equipment may not be available for loan in case of damage or any other reasons. The KCDO reserves the right to make final decision on the related matters.

(c) The multi-purpose hall of HHCH and KTCH will be sub-divided into two partitioned portions for applications on every Wednesday from 11:00 a.m. to 4 p.m. as necessary. Priorities are given to the applications of the partitioned halls for the designated booking timeslots. If two organizations submit applications for using the partitioned halls at the same timeslot, the applications will be processed in accordance with the order of priority of organizations set out in the Guidelines and Conditions on Application for the Use of Facilities in Kowloon City District. The front portion of the hall including the stage and the sound system will be allocated to the organization with higher priority. The rear portion of the hall will be allocated to the other organization. If two or more applications from the same priority group are received, decision would be made by lots-drawing.

(d) Home Affairs Department is now preparing the rates of charges for the booking of the partitioned hall. Before the rates of charges are confirmed, KCDO will only consider the application from the organization.
who is exempted from the payment of charges for use of facilities in Kowloon City District.

(e) The number of participants using the partitioned hall should not be less than 10 and the maximum number is 150. An applicant using the partitioned hall is not allowed to conduct noisy activities that may disturb other users in the hall, e.g. dragon dance, lion dance, music concert, Cantonese opera performance etc.

(f) For HHCH, no stand-alone PA system is designated for users of the conference room or stage meeting room. The stand-alone PA system of HHCH will be used in the following priority order:
(i) If the PA system of the multi-purpose hall breaks down, the stand-alone PA system will be used as the backup;
(ii) multi-purpose room ;
(iii) conference room ;
(iv) stage meeting room.

(g) To reduce the excessive noise generated by the use of any stand-alone PA system that may disturb users of the adjacent room, the use of such equipment in either the conference room or stage meeting room of HHCH without prior permission is prohibited. The KCDO reserves the right to request the applicant organizations to lower the volume, or even switch it off when necessary.

(h) If the applicant organization will use the conference room and stage meeting room of KTCH at the same timeslot and request for the removal of partitions between the two rooms, the applicant organization should include the time required for the removal and reinstatement of the partition boards into their hiring hours of the concerned facilities. The applicant organization should reserve sufficient time for the venue setup preparation work. The duration for removal and reinstatement of the partition boards will be one hour each (i.e. a total of 2 hours).

5. Advance booking system

(a) An applicant may submit the application four months before the quarter (i.e. January to April, May to August, September to December) of the function date. For example, application form may be submitted as early as in September for using the facilities from January to April in the next year. Applications submitted before the prescribed period will not be entertained. An applicant may apply for holding one-off activity or activity that lasts for as long as four months. However, the maximum hours an applicant may apply for within four months is 128.

(b) To facilitate an applicant in making advance booking of the facilities in Kowloon City District, an applicant may submit the application on the first five days at the beginning of a quarter 4 months before the function date. Applications submitted before the prescribed period will not be entertained. If two or more organisations have submitted applications for using the facilities in the same timeslot, the applications will be processed in accordance with the priority set out as below. Other applications would be decided by lots-drawing. If two or more applications from the same priority group are received, decision will be made by lots-drawing. Applicant must submit application form for advance booking. Application by telephone or verbal booking is not accepted.

Order of priority of organisations:

(i) Government departments;
(ii) Kowloon City District Council, Committees/Working Groups under Kowloon City District Council;
(iii) Committees of the KCDO, e.g. Area Committees, Youth Committee etc.;
(iv) Offices of the Kowloon City District Councillors;
(v) Owners’ corporations, owners’ committees and mutual aid committees in Kowloon City District (according to the registered addresses);
(vi) Organizations based in Kowloon City (according to the registered addresses) recognised by the Government departments;
(vii) Other organisations not mentioned above, for instance, non-local organisations outside Kowloon City district (according to the registered addresses).

(c) After categorizing the applicants according to clause 5(b) above, if two or more applications for a certain timeslot are received from organisations of the same priority, the KCDO will allocate the timeslot base on the arrangements below:

<table>
<thead>
<tr>
<th>Monday to Friday</th>
<th>Saturday, Sunday and Public Holiday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Priorities</td>
<td></td>
</tr>
<tr>
<td>(i) Class Activities</td>
<td>(i) Large-scale Activities</td>
</tr>
<tr>
<td>(ii) Large-scale Activities and Other Activities</td>
<td>(ii) Class Activities</td>
</tr>
<tr>
<td></td>
<td>(iii) Other Activities</td>
</tr>
</tbody>
</table>
(d) Activities are classified as follows:
   (i) Large-scale Activities
       Activities being held in CH/CC on Saturday, Sunday or Public Holidays with at least 100
       anticipated participants.
   (ii) Class Activities
       Class activities being held at the same timeslot, same weekday every week in a particular
       month (e.g. 9 a.m. to 10 a.m., every Monday in January).
   (iii) Other Activities
       Activities other than the above categories.

If after the above arrangements, there is still more than one application for a certain timeslot that are of
the same priority, the concerned timeslot will be allocated by lots-drawing.

(e) The KCDO will arrange lots-drawing at 3pm in the conference room of the HHCH on the 12th working
day after the deadline for submission of the first month of each quarter (i.e. January, May and
September). One representative from each applicant organization is welcome to observe the procedure.
The KCDO will not issue separate notice to inform the applicants on the date, time and venue of the
lots-drawing. If Typhoon Signal No. 8 or above is hoisted or Rainstorm Black Signal is issued by The
Hong Kong Observatory on the day of lots-drawing, the lots-drawing will be cancelled and postponed
to the following working day, with time and venue remaining the same.

(f) The KCDO will give written approval letter to applicant organizations selected by lots-drawing before
the last working day in the first month of the quarter. The results of the remaining sessions not being
taken will be displayed in the CH/CC.

(g) The KCDO will accept applications for the non-assigned sessions after the lots-drawing. An
applicant should submit the application at least four weeks before the activity day. If two or more
organisations have submitted applications on the same day for using the same facilities at the same
session, they will be handled according to the procedures in 5(b) to (d) and the applicants will be
informed of the results as soon as possible. If applicants cannot submit applications four weeks
before the activity day, KCDO will consider the applications separately according to the nature of the
proposed activities.

6. Regulations and conditions to be followed by applicant

(a) To ensure fire safety, the following regulations and conditions should be followed by the applicant:

   i. For both indoor and outdoor activities

      - Chairs, if provided for audience, shall be battened together in groups of not less than four and not
more than fourteen per row.
      - The power supply cable shall be so located that it will not constitute a hazard to the
audience/attendees.
      - No scenery or decorations of readily combustible nature shall be erected on the stage.

(c) The applicant shall not post or hang posters, slogans, banners or portrait; conduct auction, fund-raising

unless prior approval from the District Office has been obtained. The applicant shall maintain good
order and discipline during the activity. Smoking, cooking, lighting of fire or using fireworks,
sprinkling powder on the floor are prohibited.

(d) The applicant shall assume responsibilities for physical arrangement such as seating, and shall not put

material on the walls, furniture and other equipment. The applicant shall be liable to pay for any
damage to any equipment, furniture, or fabric of the building.
The applicant shall restore the facilities to their original conditions and clean up the place after use.

Eating is strictly prohibited in the CH/CC. Under special circumstances where eating in the venue is required, the applicant should submit written application to the KCDO in advance.

The applicant shall assume full responsibility for any damage caused.

Staff members of the KCDO shall have the right to enter, at any time, any part of the CH/CC used by the applicant and impose additional conditions for its continued use in the light of prevailing circumstances. If the applicant fails to observe these conditions, the staff members may terminate the right of use at any time and have the place cleared.

No cash transactions (including but not limited to collection of tips, sale and fund raising activities) are allowed in the CH/CC.

The applicant should strictly abide by these guidelines, regulations and conditions, failing which demerit points will be given. Demerit points are given for each breach and counted individually, irrespective of whether the breach happened in the same activity. Each breach will attract demerit points ranging from 3 points for “Minor Breaches”, 5 points for “Serious Breaches” to 10 points for “Very Serious Breaches”, having regard to the seriousness of the breach. Once an applicant has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking the HHCH/KTCH and using CH/CC facilities as joint organizer/co-organizer in the next two quarters or the use of the facilities in the CH/CC may be revoked immediately where circumstances warrant. If the applicant has been banned by the KCDO from using the CH/CC, the applicant cannot be the co-organizer. Details of the Demerit Points System are at Annex III. Examples of calculating demerit points are at Annex IV.

The Home Affairs Department has entered into licence agreements with Composers and Authors Society of Hong Kong Limited (CASH), Phonographic Performance (South East Asia) Limited and Hong Kong Recording Industry Alliance Limited for the performance of copyright literary and musical works, playing and showing of sound recordings, music videos and karaoke videos controlled or administered by the three licensing bodies at CH/CC. The applicant does not need to apply for an individual licence from these three copyright licensing bodies if the copyright works to be performed, played and/or shown by it at CH/CC are controlled or administered by these licensing bodies and its performance, playing and/or showing is not excluded by the relevant licence agreements. The exclusions in the relevant licence agreements are set out at Annex V. The applicant shall not hinder, obstruct or prevent these licensing bodies from entering any part of the HHCH/KTCH used by the applicant for the purpose of the licensing body exercising its right of entry (if any) under the relevant licensing agreement.

Subject to clause 6(l), the applicant shall not use (whether by performing, showing or playing or otherwise) any copyright works (including but not limited to lyrics, music, drama, recorded music, music videos, karaoke videos and film) in the CH/CC or any part thereof, unless the applicant has obtained and maintained at its own cost and expense all necessary approvals, permits or licences which may be required or necessary from the relevant copyright owners.

The applicant shall not, and shall ensure that its authorized users shall not, engage in any performance or do any act which infringes the intellectual property rights or any other rights of any person in the course of using the CH/CC.

For the purpose of clause 6, “intellectual property rights” refer to patents, trade marks, service marks, trade names, design rights, copyright, domain names, database rights, rights in know-how, new inventions, designs or processes and other intellectual property rights whether now known or created in future (of whatever nature and wherever arising), and in each case whether registered or unregistered and including applications for the grant of any such rights.

If the applicant performs, plays and/or shows copyright musical works, the applicant shall complete CASH’s “Programme Return Form” and return the duly completed Form to CASH within 30 days from the date of last performance.

Applicant may ask KCDO for the “Programme Return Form” if in need.
(m) The applicant, and its members, partners, employees, contractors, agents and licensees (each a “Related
Person” and together “Related Persons” of the applicant) whether as invitees or otherwise, whilst using
or present at the CH/CC are there entirely at their own risk. Neither the Government nor any of its
employees, agents or contractors shall be under any liability whatsoever for or in respect of:

(i) any loss of or damage to any of the applicant’s property or that of any of its Related Persons
however caused (whether by any act, omission, default or Negligence of the Government and
any of its employees, agents or otherwise); or

(ii) any injury to or death of the applicant or any of its Related Persons (save and except any such
injury or death caused by the Negligence of the Government or any of its employees or agents),

which in any case arise directly or indirectly in connection with, out of or in relation to the use of the
CH/CC by the applicant or any of its Related Persons.

(n) The applicant shall indemnify and keep the Government fully and effectively indemnified against:

(i) any and all claims (whether or not successful, compromised, settled, withdrawn or discontinued,
in whole or in part), actions, investigations, demands, proceedings or judgments, joint or several,
threatened, brought or established against the Government (the “Claims”); and

(ii) any and all liabilities, losses, damages, costs, charges or expenses (including all legal fees and
other awards, costs, payments, charges and expenses) which the Government may pay or incur as
a result of or in relation to any Claims,

which in any case arise directly or indirectly in connection with, out of or in relation to the use of the
CH/CC by the applicant or any of its Related Persons including any loss, damage, injury or death
referred to in clause 6(m) above (save and except injury or death caused by the Negligence of the
Government or any of its employees or agents), and any infringement of intellectual property rights or
any other rights of any person.

(o) The applicant shall indemnify and keep the Government fully and effectively indemnified against any
loss of or damage to any property of the Government or of any of its employees, agents or contractors or
any injury to or death of any employee, agent or contractor of the Government arising out of the
Negligence of the applicant or any of its Related Persons.

(p) For the purposes of clauses 6(m), 6(n) and 6(o), “Negligence” shall have the same meaning as that
assigned to it in section 2(1) of the Control of Exemption Clauses Ordinance (Cap. 71).

(q) Without prejudice to the generality of the foregoing, the KCDO has the authority to interpret and make
exceptions to the regulations and conditions contained herein. The KCDO may cancel the applicant’s
booking or terminate the applicant’s right of use of the CH/CC if the applicant fails to observe or
perform any of the regulations and conditions contained herein.

(r) The expiry of the approved period of use of the CH/CC shall be without prejudice to any of the
regulations or conditions contained herein that are capable of being observed or performed
notwithstanding such expiry (including but not limited to clauses 6(o) and 6(p)) which shall survive the
same and shall continue to be binding on the applicant and shall remain in full force and effect.

(s) The KCDO shall have the right not to grant the use of the CH/CC (including the facilities thereof) to any
applicant.

(t) The KCDO shall have the right not to allow any non-hirers to enter the CH/CC or to use the facilities.

(u) The KCDO reserves the right to amend the Guidelines at any time without the need to issue separate
notice, and also reserves the power to make final decision relating to the hiring of the CH/CC.

7. Others

(a) The facilities of the CH/CC will be closed if Typhoon Signal No. 8 or above or Rainstorm Black
Signal is issued by The Hong Kong Observatory. Users should take immediate action to terminate
the activity and leave the CH/CC, or stay in the CH/CC until conditions are safe for them to leave.

(b) If Typhoon Signal No. 8 or above or Rainstorm Black Signal is issued by The Hong Kong
Observatory within two hours before the booked session, the session will be cancelled. The CH/CC
will reopen 2 hours after the cancellation of the above signals. If the signal calls off at or after 6:00
p.m., the bookings in the 6th session will be cancelled. Those who have booked the CH/CC facilities may call the KCDO at 2621 3420 for enquiries.

(c) Under special circumstances, e.g. the venue has to be reserved for emergency shelter and emergency repair of facilities etc., the KCDO reserves the right to cancel the approved booking applications and the applicant will be informed as soon as possible. Any payment made will be refunded to the applicant upon production of the receipted demand note. KCDO will not make compensation for any loss thus incurred to the applicant.

(B) Rules under the Demerit Points System

1. The Demerit Points System is district-based.

2. Under the Demerit Points System, an applicant organization or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organizer, only the applicant organization or hirer will be served the demerit points for breaches of regulations and conditions.

3. Once an organization or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs within the same District in the [next two quarters]*. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organization concerned has been allocated other sessions in the [present quarter and/or the next quarter]*, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.

4. In the event that an organization commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.

5. An organization which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organization will also be stated in the letter.

6. The organization concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.
Examples of Calculating Demerit Points

Assuming that advance booking is allowed, that applications for use of CH/CC facilities are processed on a quarterly basis and that timeslots are allocated through a ballot system.

**Example A**

<table>
<thead>
<tr>
<th>No. of points</th>
<th>3</th>
<th>5</th>
<th>3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date of breach</td>
<td>1.6.2010</td>
<td>10.1.2011</td>
<td>5.6.2011</td>
</tr>
<tr>
<td>Total demerit points accrued</td>
<td>3</td>
<td>8</td>
<td>8</td>
</tr>
</tbody>
</table>

On 5.6.2011, only 8 points had been accrued within a period of 12 months because the 3 points incurred on 1.6.2010 had lapsed by 1.6.2011.

**Example B**

<table>
<thead>
<tr>
<th>No. of points</th>
<th>3</th>
<th>5</th>
<th>3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date of breach</td>
<td>1.6.2010</td>
<td>10.1.2011</td>
<td>28.5.2011</td>
</tr>
<tr>
<td>Total demerit points accrued</td>
<td>3</td>
<td>8</td>
<td>11</td>
</tr>
</tbody>
</table>

On 28.5.2011, 11 points had been accrued within a period of 12 months. A ban from bookings in the next two quarters (that relate to bookings for use of CH/CC facilities in Q3 of 2011 and Q1 of 2012) was imposed. All the 11 points arising from the 3 breaches were cleared. Assuming that the organization concerned had other successful bookings for use of CH/CC facilities in the remainder of Q2 of 2011, it may continue to use the allocated sessions up to Q2 of 2011 unless otherwise directed. Demerit points arising from new breaches of guidelines and regulations will be counted afresh after 28.5.2011.

**Example C**

<table>
<thead>
<tr>
<th>No. of points</th>
<th>3</th>
<th>5</th>
<th>3</th>
<th>10</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total demerit points accrued</td>
<td>3</td>
<td>8</td>
<td>11</td>
<td>10</td>
</tr>
</tbody>
</table>

Following Example B above, the organization committed a 10-point breach on 30.6.2011. Another ban from booking in the two quarters following the two quarters under the first ban was imposed. That means, the organization will not be allowed to submit application for a total period of 16 months.
2. In the event that an organization commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first. The remaining lower demerit points incurred from the other breaches committed in the same activity will be carried forward. Details are illustrated below.

**Example D**

<table>
<thead>
<tr>
<th>No. of points</th>
<th>Date of breach</th>
<th>Total demerit points accrued</th>
</tr>
</thead>
<tbody>
<tr>
<td>3</td>
<td>1.6.2010</td>
<td>3</td>
</tr>
<tr>
<td>3</td>
<td>10.1.2011</td>
<td>6</td>
</tr>
<tr>
<td>3</td>
<td>28.5.2011</td>
<td>11+3 (3 points carried forward)</td>
</tr>
<tr>
<td>5</td>
<td>3.4.2012</td>
<td>11</td>
</tr>
</tbody>
</table>

On 28.5.2011, two separate breaches were found in the same activity. Since the highest demerit points incurred in this activity was 5, the 5-point breach was counted first while the 3-point breach would be carried forward. 11 points were then accrued when 5 points were added to the original 6 points accrued on 10.1.2011. A ban from bookings in the next two quarters (that relate to bookings for use of CH/CC facilities in Q3 of 2011 and Q1 of 2012) was imposed and the 11 points arising from 3 breaches would be cancelled after the ban was imposed. The remaining 3 points from the remaining breach incurred in the same activity on 28.5.2011 would then be carried forward. On 3.4.2012, another two breaches were found. Since the addition of the 3 points brought forward from 28.5.2011 and the 8 points incurred on 3.4.2012 resulted in an accrual of 11 points within 12 months, both new breaches were counted, thus necessitated the issue of another ban.
