2. Under the Demerit Points System, an applicant organization or hirer will get demerit points for breaching regulations and conditions. Demerit points are given for each breach and counted individually, irrespective of whether the breach takes place in the same activity. Each breach will attract demerit points ranging from 3 points for a “Minor Breach”, 5 points for a “Serious Breach” to 10 points for a “Very Serious Breach”, having regard to the seriousness of the breach. For an application which includes a co-organizer, only the applicant organization or hirer will be served the demerit points for breaches of regulations and conditions.
3. Once an organization or hirer has accrued a total of 10 or more demerit points within 12 months, it will be banned from booking all CHs/CCs within the same District in the [next two quarters]*. All the points that led to the ban will be cleared. Demerit points arising from new breaches of guidelines and regulations will be counted afresh. If the organization concerned has been allocated other sessions in the [present quarter and/or the next quarter]*, it may continue to use the allocated sessions up to the quarter(s) concerned unless otherwise directed.
4. In the event that an organization commits two or more breaches in the same activity, the highest demerit points incurred in that activity will be counted first for the purpose of imposing a ban from booking of CH/CC facilities, as under paragraph 3 above. The remaining lower demerit points incurred from the other breaches committed in the same activity, which have not been counted for imposing the ban, will be carried forward.
5. An organization which is found to have breached the regulations and conditions will be issued with a standard warning letter stipulating the nature of breach, the demerit points served and the validity period. A summary of all breaches will also be listed in the letter. The consequences of accruing 10 points or more by the organization will also be stated in the letter.
6. The organization concerned may submit a written representation for the District Officer’s consideration within two weeks from the issue date of the warning letter. The District Officer has the authority not to give any demerit points if he/she finds the representation justified.
