Summary of Services for the Sub-district \div

A. Mandatory Services

1. Community Care

Service requirement	Key Performance Indicator (KPI)	
(a) Set up communication channels of the	The relevant channels shall be opened within	
Care Team with at least 2 channels, such	three weeks after the funding agreement	
as telephone, email, social media, instant	takes effect, and shall be maintained until	
messaging software, etc.	the end of the funding agreement.	
(b) Widely publicise the communication channels and services of the Care Team to the residents of the sub-district.	Publicise the communication channels and services of the Care Team in the sub-district, covering no less than 90% of the residents of the sub-district within three months after	
	the funding agreement takes effect.	
(c) Establish a liaison network with the residents of the sub-district, facilitating the residents to contact the Care Team and assisting the Government to deliver information to the residents so as to strengthen ties with the residents.	Distribute in a timely manner the important information provided by the Government through the liaison network between the Care Team and the residents of the subdistrict as required by the Government or as needed. Within one year after the funding agreement takes effect, the established liaison network shall cover not less than 15% of the households of the sub-district.	
(d) Visit/contact elderly households in the sub-district, establish contacts, and provide basic services for the elderly, including providing information on public/social welfare/medical/other related services, assisting in applying for or making appointment for the above services, providing basic information technology assistance, and assisting in arranging the elderly in need to receive home or other support services in item (f) or referral to relevant departments/organisations for professional services.	Provide information/services to at least 300 elderly households.	

Service requirement

(e) Visit/contact other households in need in

the sub-district, establish contacts, and provide basic services for the households, including providing information on public/social welfare/medical/other related services, assisting in applying for or making appointment for the above services, providing basic information technology assistance, and assisting in arranging the households in need to receive home or other support services in item (f) or referral to relevant departments/organisations for professional services.

Key Performance Indicator (KPI)

Provide information/services to at least 400 households in need.

(f) Depending on the circumstances of the sub-district, provide home or other support services to those in need (such as simple home repairs/cleaning, health talks, "Share and Care" activities like collection of old clothes for donation, recruiting and training residents to be volunteers to serve other people in need, etc.). Provide at least 110 times of simple home repairs or cleaning services, one health talk for more than 40 participants, "Share and Care" activities such as collection of old clothes for donation, bookcrossing, etc.

(g) Visit the "three-nil" buildings and old buildings where the owners' corporations are not operating effectively/without hiring a management company to understand the management, safety and sanitary conditions of the buildings concerned, and compile the relevant information for the reference of the District Office. Depending on the situation of the building and the needs of the residents, make referrals to relevant organisations departments or assistance, including applying to the District Office for provision of one-off cleaning services for the common areas of the building.

Visit every year at least 8 "three-nil" buildings or old buildings where the owners' corporations are not operating effectively/without hiring a management company, and compile information about the management, safety and sanitary conditions of the buildings.

2. Assistance in Emergencies
