### Summary of Services for the Sub-district :

# A. Mandatory Services

### 1. Community Care

| Service requirement                             | Key Performance Indicator (KPI)         |
|---|---|
| (a) Set up communication channels of the Care   | The relevant channels shall be opened   |
| Team with at least 2 channels, such as          | within two weeks after the funding      |
| telephone, email, social media, instant         | agreement takes effect, and shall be    |
| messaging software, etc.                        | maintained until the end of the         |
|   | funding agreement.                      |
| (b) Widely publicise the communication channels | Publicise the communication channels    |
| and services of the Care Team to the residents  | and services of the Care Team in the    |
| of the sub-district.                            | sub-district, covering no less than 90% |
|   | of the residents of the sub-district    |
|   | within three months after the funding   |
|   | agreement takes effect.                 |
|   |   |

| Service requirement   | Key Performance Indicator (KPI)   |
|---|---|
| (c) Establish a liaison network with the residents<br>of the sub-district, facilitating the residents to<br>contact the Care Team and assisting the<br>Government to deliver information to the<br>residents so as to strengthen ties with the<br>residents.  | Distribute in a timely manner the<br>important information provided by the<br>Government through the liaison<br>network between the Care Team and<br>the residents of the sub-district as<br>required by the Government or as<br>needed. Within one year after the<br>funding agreement takes effect, the<br>established liaison network shall cover<br>not less than 15% of the households of<br>the sub-district. |
| <ul> <li>(d) Visit/contact elderly households in the sub-<br/>district, establish contacts, and provide basic<br/>services for the elderly, including providing<br/>information on public/social<br/>welfare/medical/other related services,<br/>assisting in applying for or making<br/>appointment for the above services, providing<br/>basic information technology assistance, and<br/>assisting in arranging the elderly in need to<br/>receive home or other support services in item</li> <li>(f) or referral to relevant<br/>departments/organisations for professional<br/>services.</li> </ul> | Provide information/services to at<br>least 100 elderly households.   |

| Service requirement                                 | Key Performance Indicator (KPI)      |
|---|--------------------------------------|
| (e) Visit/contact other households in need in the   | Provide information/services to at   |
| sub-district, establish contacts, and provide       | least 200 households in need.        |
| basic services for the households, including        |                                      |
| providing information on public/social              |                                      |
| welfare/medical/other related services,             |                                      |
| assisting in applying for or making                 |                                      |
| appointment for the above services, providing       |                                      |
| basic information technology assistance, and        |                                      |
| assisting in arranging the households in need       |                                      |
| to receive home or other support services in        |                                      |
| item (f) or referral to relevant                    |                                      |
| departments/organisations for professional          |                                      |
| services.   |                                      |
| (f) Depending on the circumstances of the sub-      | 1. Health talks                      |
| district, provide home or other support             | Organise health talks once a year to |
| services to those in need (such as simple home      | encourage the elderly to have        |
| repairs/cleaning, health talks, "Share and          | regular health check-ups, and        |
| Care" activities like collection of old clothes for | provide health check-up services     |
| donation, recruiting and training residents to      | 40 times a year.                     |
| be volunteers to serve other people in need,        |                                      |
| etc.).  | 2. Collection of old clothes for     |
|   | donation                             |
|   | Organise activities for four times a |
|   | year                                 |
|   | Number of participants: 80 in total  |

# 2. Assistance in Emergencies

| Service Requ                                  | uirement   |           |            |              | Key Performance Indicator (KPI)   |
|---|------------|-----------|------------|--------------|-----------------------------------|
| (a) When                                      | there      | is        | а          | sudden       | Provide services up to 4 times as |
| incident/                                     | emergency/ | /disaster | in tl      | he district, | required by the Government.       |
| care for the needs of the affected people and |            |           | people and |              |                                   |
| provide appropriate assistance, and forward   |            |           | nd forward |              |                                   |
| important information to the residents as     |            |           |            |              |                                   |
| required by the Government.                   |            |           |            |              |                                   |
|   |            |           |            |              |                                   |

| Service Requirement                             | Key Performance Indicator (KPI)    |
|---|------------------------------------|
| (b) Provide emergency support for new           | Provide services up to 10 times as |
| policies/services of the Government or public   | required by the Government.        |
| organisations, such as assisting those in need  |                                    |
| to make applications (especially online         |                                    |
| applications), assisting in the distribution of |                                    |
| materials or information, etc.                  |                                    |
|   |                                    |

## B. Add-on Services

| Service requirement                              | Key Performance Indicator (KPI)         |
|--|---|
| (a) Organise national education promotion        | 1. An information exhibition on         |
| activities, such as activities to promote the    | Greater Bay Area                        |
| Constitution, the Basic Law, the National        | Once                                    |
| Security Law and national awareness, as well     | Number of participants: 100             |
| as make every effort to encourage young          | 2. An exhibition on national history    |
| people to take part in the activities.           | Once                                    |
|  | Number of participants: 100             |
|  | 3. A talk on the Constitution, the      |
|  | Basic Law and "One Country, Two         |
|  | Systems"                                |
|  | Once                                    |
|  | Number of participants: 100             |
|  | 4. Visits to Hong Kong Palace           |
|  | Museum                                  |
|  | Twice                                   |
|  | Number of participants: 200 in          |
|  | total                                   |
| (b) Relay district views to the Government.      | Collect public views on specific issues |
|  | and relay them to the Government        |
|  | twice a year, collecting views from no  |
|  | fewer than 100 members of the public    |
|  | each time.                              |
| (c) Organise festive activities to celebrate the | 1. Carnival in Celebration of the       |
| anniversary of the establishment of the          | Anniversary of the Establishment        |
| HKSAR, the National Day, the Spring Festival,    | of the HKSAR                            |
| the Mid-Autumn Festival, etc. to increase        | Twice                                   |
| residents' understanding of Chinese culture,     | Number of participants: 400 in          |

| Service requirement                                     | Key Performance Indicator (KPI)  |
|---|--|
| strengthen their sense of national identity and         | total  |
| enhance their national pride.                           | <ol> <li>Carnival in Celebration of the<br/>National Day<br/>Twice<br/>Number of participants: 400 in<br/>total</li> </ol> |
| (d) Organise different thematic activities to reach     | 1. Youth activities  |
| out to the community and raise civic                    | <ul> <li>A visit to Government</li> </ul>  |
| awareness, such as:                                     | Departments  |
| Youth activities  | Once   |
| <ul> <li>Environmental protection activities</li> </ul> | Number of participants: 30   |
| <ul> <li>Cultural activities</li> </ul>                 | <ul> <li>A visit to large enterprises</li> </ul>   |
| Health activities                                       | Once   |
| <ul> <li>Sports activities</li> </ul>                   | Number of participants: 30   |
