Summary of Services for the Sub-district :

A. Mandatory Services

1. Community Care

Service requirement	Key Performance Indicator (KPI)
(a) Set up communication channels of the Care Team with at least 2 channels, such as telephone, email, social media, instant messaging software, etc.	The relevant channels shall be opened within two weeks after the funding agreement takes effect, and shall be maintained until the end of the funding agreement.
(b) Widely publicise the communication channels and services of the Care Team to the residents of the sub-district.	Publicise the communication channels and services of the Care Team in the sub-district, covering no less than 95% of the residents of the sub-district within two months after the funding agreement takes effect.
(c) Establish a liaison network with the residents of the sub-district, facilitating the residents to contact the Care Team and assisting the Government to deliver information to the residents so as to strengthen ties with the residents.	Distribute in a timely manner the important information provided by the Government through the liaison network between the Care Team and the residents of the sub-district as required by the Government or as needed. Within one year after the funding agreement takes effect, the established liaison network shall cover not less than 15% of the households of the sub-district.

Service requirement	Key Performance Indicator (KPI)
