Note: According to Chapter 4 of “Guidelines on Election-related Activities in respect of the Rural Representative Election”, candidates **must inform the Returning Officer (“RO”) for the relevant rural area their intention to display election advertisements at designated spots in writing within the nomination period.** Only contesting candidates will be allocated with designated spots. The number and size of designated spots for allocation will be finalised by the RO, taking into account the number of contesting candidates in the respective rural area, after the close of nominations. The RO will allocate the designated spots to the contesting candidates either in accordance with the mutual consent of the contesting candidates or by the drawing of lots.
