

Updated Edition

We take pleasure in presenting the new edition of this Guidebook. This edition includes information that we hope will be just as useful to foreign domestic helpers, migrant workers and Hong Kong residents from other Southeast and South Asian countries.

Many individuals and organisations – both within and outside the Government – contributed to the updating process. We take this opportunity to thank them.

Since publishing the first edition of the English version of this Guidebook in December 1998, we have received many helpful comments and valuable suggestions from readers and support groups on ways to improve the content. We hope that readers will continue this feedback and alert us to any outdated information. Since our aim is to ensure that the Guidebook remains useful and up-to-date and that each new edition is better than the last, we welcome your ideas.

Online version of the updated Guidebook as well as versions in other languages (i.e. Bahasa Indonesia, Hindi, Nepali, Tagalog, Thai and Urdu) are available at https://www.had.gov.hk/rru/english/info/info_pub.html
