About SSCEM

SSCEM was established in June 2009 to serve the ethnic minorities. It is one of the support service centres for ethnic minorities funded by the Home Affairs Department. The Centre provides a variety of support services for ethnic minorities to facilitate their integration into the community.

The mission of SSCEM is to enhance the integration of the ethnic minorities into the mainstream society and to develop an equal opportunity community irrespective of racial origin.

About Youth Unit

Youth Unit of SSCEM plays a vital role in facilitating the personal development of ethnic minority youths through provision of dedicated programmes to realise their potential, explore their interests, empower them to tackle their problems, and to enhance their self-confidence, sense of responsibility, communication skills, and sense of belonging to the community.
